SYNOD TO HAVE NEW HYMNALS BY EASTER '58

Rev. Charles Rowe, chairman of the committee on church publications of the Central Pennsylvania Synod, reported Wednesday at the meeting in Christ Chapel, Gettysburg College, that the new worship hymnal will be available by Easter 1958.

At the morning session Dr. Jesse Reber, secretary of the Central Pennsylvania Council of Churches, emphasized that the synod is a part of ULCA and that all Lutheran bodies in Pennsylvania are now members of the council.

By vote of the synod the following resolution was passed: "That the executive board of the synod appoint a committee from the board to consult with the committee on church publications of the synod and the circulation department of 'The Lutheran' and make a study of the possibility of including in the 1958 budget of the synod enough funds to provide 'The Lutheran' for all families."

Dr. Stoughton Speaks
Dr. Clarence C. Stoughton, president of Wittenberg College and a member of the executive board of ULCA, was the main speaker at Wednesday's session and reported the main church activities to the synod. He described ULCA as a "church alert with a sense of expectancy to God's call on its fortieth year anniversary."

Dr. Stoughton listed five special areas of advancement within the church: 1. Board of American Missions 2. Board of Foreign Missions 3. New church home on Madison Ave., New York City 4. Increased student centers on college and university campuses 5. Advance in press, radio and TV. Stoughton stressed the need for strengthening Lutheran colleges and seminaries in order that they might better recruit and train promising young men for the ministry and train adequate laymen for service in the church.

The conference adopted a recommendation that the minimum salary for pastors be made \$4,000 per annum plus expenses for major utilities.

Election Results
Among those elected to various committees and boards of the synod were the following:

Executive Board: Claude R. Greiner, Hummelstown; George W. Hoffmann, Spiesville, Pa.
Directors of Gettysburg Theological Seminary: Rev. John L. Barnes, Altoona; Rev. Lester Koder, Mt. Joy, Pa., and Rev. Guy Miller, York.

Lay delegates to the Gettysburg Theological Board: William E. Manbeck, Harrisburg; Donald H. Goodyear, Carlisle; A. W. Stewart, Bellefonte.

Others Elected
Directors of Susquehanna University: Rev. Herman Stuepfel, Jr., Gettysburg; Rev. Richard M. Rutter, Lancaster; John R. Miller, Carlisle, was elected a lay member of the directors.

Committee on Church Vocations: Rev. H. W. Stroup, Camp Hill; Rev. Dr. Robert Fortenbaugh, Gettysburg; Henry Garbrick, Bellefonte.

Committee on Synodical Christian Education: Rev. Paul Reaser, Gettysburg; Rev. Gordon E. Folckner, York; C. M. Hausknecht, Bloomsburg; Miss Lillian W. Wilson, Camp Hill.

Candidates For Ordination
The examining committee of the synod submitted a report for approval for ordination of the

SYNOD ADOPTS LARGER BUDGET

With the adoption of a \$3,000,000 budget for the coming year the Central Pennsylvania Synod of the United Lutheran Church brought its annual convention to a close this afternoon in Christ Chapel, on the Gettysburg College campus.

The budget marked an increase of \$1,255,000 over last year and practically all of the increase was in amounts to be forwarded to the United Lutheran Church in America.

Last year's total budget was \$1,745,000. Out of the \$3,000,000 budget this year, \$2,500,000 will go to the United Lutheran Church.

Dr. Clarence Charles Stoughton, representative of the United Lutheran Church in America to the 20th annual synodical convention, made his final address to the convention this morning. Speaking on "Stewardship and Evangelism" he urged the group: "Do not forget young people in the work of the church. They have much to offer." He also held that a "great new partnership between God and man in the work of the church, a new unity, is much in evidence."

Heat Mark For Year Equalled Wednesday

After equalling the 1957 record with a 91-degree reading on Wednesday, the mercury seemed to be headed for a new mark this afternoon. At 1:30 o'clock the temperature was a humid 88 but about noon it had reached 90 degrees. Partially overcast skies brought the two-degree drop.

Wednesday night was the hottest so far this year in Gettysburg. The minimum reading was 70 degrees.

The 91-degree mark had been reached twice in April and once last month.

COUNTY'S S.S. CONVENTION TO BE HELD SUNDAY

Afternoon and evening sessions will be held in Trinity Lutheran Church, Gettysburg, Sunday for the annual Adams County Sunday School convention. The complete convention program was announced today.

Miss Alma Miller, Biglerville, secretary of the Adams County Council of Christian Education, will be in charge of registration of delegates from Sunday Schools in all sections of the county and Luther M. Lady, Biglerville, will lead a song service at 2 o'clock.

The delegates and visitors will be welcomed by the Rev. Robert Shaul, pastor of the host church, and the Rev. Marlin Lauver will lead devotions. There will be an anthem by the Junior choir of the host church.

To Elect, Install

A. M. LaVanture, president of the county Christian Education Council, will preside at the business session scheduled for 2:35 o'clock. Treasurer J. B. Collins, Gettysburg, will present his report and Luther Smith, chairman of the nominating committee, will present his report. The election of officers will be conducted by the Rev. Chauncey Varner, youth director of the state Council of Christian Education, and he will install the new officers.

After special music by a ladies' quartet from the Mennonite church, the convention will divide into departmental sessions with a moderator and speaker for each as follows: Children's work, Mrs. Ralph Hines, moderator, and Mrs. Paul Klinedinst, York, speaker; Youth work, Rev. Verle Schumacher, moderator, and the Rev. Ralph Varner, speaker; and adult work, Charles Helwig, moderator, and the Rev. Louis Hamman, speaker.

STUDENTS ARE GIVEN AWARDS

One Gettysburg resident attending Gettysburg College and two other students at the college and seminary are among eight Pennsylvania students receiving scholarships from the Lutheran Brotherhood, fraternal life insurance society with headquarters in Minneapolis.

Carola I. Machetzi, 109 York St., was awarded a senior college scholarship of \$300. A like amount goes to Charles J. Charles, Middleburg, a student at Gettysburg College. Theodore R. Hildebrand, Chicago, a student at the Gettysburg Seminary, was awarded \$1,000 for graduate study.

Senior scholarships awards also went to Nancy E. Bumbarger, Somerset, a student at Susquehanna University; Richard L. Dowhower, Arnold, a student at Thiel College; Earl A. Knies, White Haven, a student at Muhlenberg; Karl A. Schneider, Philadelphia, also attending Muhlenberg; Carol L. Nelson, Lancaster, a student at Marion College, received a junior college award of \$150.

The grants are part of \$37,750 in scholarships which Lutheran Brotherhood is awarding this year to seminary, senior and junior college students and high school graduates planning to enter Lutheran colleges.

2nd GI Reported Involved In Controversial Girard Case

MAEBASHI, Japan (AP)—A Japanese police officer said today a Michigan soldier has told Japanese authorities that he — not Specialist 3.C. William Girard — tossed empty shell casings onto a U. S. army range before a Japanese woman scrap collector was shot and killed Jan. 30.

The officer, who would not be quoted by name or rank, said the statement of Specialist 3.C. Victor Nickel of Inkster, Mich., that he scattered the empty shells "at Girard's suggestion" has been included in a secret police file on the shooting.

Japanese court officials said it was not among court records in the case, in which Girard has been charged with "inflicting bodily injury resulting in death." Conviction could carry a sentence of up to 15 years in a Japanese prison.

The U. S. decision to turn Girard over to Japan for trial has stirred a storm of protest in the United States and court action seeking to return Girard there.

U. S. Army officials in Tokyo refused to discuss reports that Army investigators had secured a new statement from Nickel.

Within the past few days and forwarded it to Washington.

The Japanese indictment against Girard accuses him of scattering empty shell casings to entice Japanese scrap collectors closer and then twice firing em-

ty shell casings in their direction from a grenade launcher attached to his rifle. The second struck Mrs. Naka Sakai, 46, in the back. She died almost instantly.

Girard has repeatedly denied he scattered any empty shells in the area.

Kaname Watanabe, prosecutor who filed the indictment against Girard, refused to discuss Nickel's present position. He would neither confirm nor deny existence of any Nickel statement, although it is known that Japanese police have questioned Nickel several times and that Nickel is considered a key witness.

Can't Incriminate Nickel
A court attaché said, however, that the Nickel statement, if it does exist, would not in itself be cause for any Japanese charges against Nickel.

"Even if the contents of such a statement are verified," this source said, "it would not tend to incriminate Nickel because it is not proof that Nickel knew of Girard's intention to fire shots."

A Japanese scrap collector at the range said today it was "usual" for American soldiers to toss used cartridge cases to the waiting collectors.

The Army said Nickel has been restricted to his camp at his own request to avoid reporters. His mother said he had written her: "Now I am an associate to the fact and am facing a court-martial."

Dr. And Mrs. Norman Wolf Mark Golden Anniversary

DR. AND MRS. NORMAN WOLF

This has been a year of golden anniversaries for Dr. and Mrs. Norman S. Wolf, 116 W. Middle St.

Wednesday the couple celebrated their golden wedding anniversary with members of their immediate family home from Ohio for the gathering at the Wolf residence and the anniversary dinner at the Hotel Gettysburg. Earlier in May Dr. Wolf celebrated the fiftieth anniversary of his graduation from the Gettysburg Theological Seminary and his ordination to the ministry.

On the first Sunday of July, Dr. Wolf will return to the familiar scenes of his boyhood when he returns to the East Berlin Trinity Church to begin service as a supply pastor. A native of Hamilton Township, Dr. Wolf was graduated from Gettysburg College in 1904 and from the Gettysburg Seminary in 1907. He entered the ministry on May 19, 1907, when he accepted a call as pastor of Christ Church, Shrewsbury, York County. Shortly afterwards on June 12 he and Miss Mary Estella Tawney were married by Rev. J. A. Clutz, pastor of St. James Lutheran Church, and began the busy, happy life which culminated in Wednesday's surprise anniversary celebration.

Anne Eckert Given Heretier Scholarship

Miss Anne H. Eckert, daughter of Mr. and Mrs. Mark A. Eckert, Springs Ave., who was graduated from Gettysburg High School, was announced today as the winner of the first award of the MayBelle Heretier Memorial Scholarship in Music.

The scholarship was established under the will of Miss MayBelle Heretier, a former Gettysburg Public School teacher and musician. Its purpose is "to foster and encourage the cultural heritage of music through awarding to a worthy student each year a sum of money for advanced study of music or music education." The scholarship is to be made available each year to a graduating senior boy or girl.

Miss Eckert expects to enter Mary Washington College at Fredericksburg, Va., in the fall.

WILL TERMINATE VFW TRUST FUND; PLAN INSURANCE

The Home Association of the Gettysburg Veterans of Foreign Wars Wednesday evening voted to terminate a trust fund and decided to provide an insurance for its members and change its bylaws to permit associate members to join the association.

Proxies for more than 85 per cent of the more than 500 members were cast at Wednesday's meeting by John W. Roth and John Murray, who were designated as the recipients of the proxies.

Under the plan, approximately \$7,000 put in a trust fund to provide death payments for members will be used instead to help pay debts of the VFW and the post will adopt an insurance plan with the state VFW covering death benefits for the members.

Select Delegates

The vote to change the bylaws to admit associate members did not set up regulations concerning the associate membership plan. Instead a committee was asked to report June 26 on a plan for associate membership.

Delegates and alternates were named for attendance at the state VFW convention at Harrisburg July 11 to 13. Named as delegates were Donald Hubbard, Acie Marksberry, T. J. Collingsworth, Max Sherman, Raymond Strohm, John Edward Kerrigan, Francis Wisotzky, Edgar Snively, John Rummel, Dale Smith and Charles Brent; alternates, Maurice Steinhorn, Glenn Shriner, John Murray, Leslie C. Fair Jr., Lester Carter, William Coston, George Fissel, Oliver Pfeifer, John Roth, Fred Kane and Francis Bowling.

Going To Dedication

Post Commander Patrick Dale McDermitt and Home Association President John Edward Kerrigan were named to represent the post and home association at dedication exercises to be held Saturday, June 22, at 3 o'clock at the new home of the East Berlin VFW post at East Berlin. Speaker at the dedication will be George F. Kennan, East Berlin R. D., former ambassador to Russia and now with the Institute for Advanced Study at Princeton.

Commander McDermitt was named chairman of a roundup of members with the group hoping to reach 100 per cent of its membership goal by June 24. The post now has 539 members, needs 34 more to reach its goal.

Blue, Gray Band Rehearses Tonight

Donald Bollinger, director of the Gettysburg Blue and Gray Band, announced today that the band has received a shipment of new music, some of which he hopes the band can include in Friday evening's engagement at the St. Francis Xavier Block Party.

Mr. Bollinger urged that the musicians be prompt for this evening's rehearsal which it is hoped he can shorten because of Friday evening's engagement.

New and summer fill-in members are asked to report to the band hall at 8 o'clock.

30 JANITORS AT SCHOOL

Thirty custodians of schools in Adams County are attending the first Custodians' Institute held under sponsorship of the Adams County school board at the Gettysburg High School today. The group took part in discussions and instruction in the care and maintenance of buildings and materials this morning. Following lunch at the Moose home they returned to the high school for further instruction this afternoon.

Reds Reject Western Plan To Control Arms Output And Nuclear Weapon Production

HELSINKI (AP)—Nikita Khrushchev today rejected Western proposals for control of disarmament and nuclear weapon production as a "screen to mask plans to continue the arms race."

However, the Soviet Communist party boss told a two-hour news conference the Soviet Union would agree to the establishment of international inspection posts in the Soviet Union, the United States, Britain and other countries if this would facilitate agreement on the banning of nuclear tests.

Khrushchev said the Soviet Union found "quite comical" suggestions to "photograph the article." This was a reference to U. S. proposals that an inspection zone be set up outside Europe, possibly in the Arctic, as a starting point for East-West agreement on President Eisenhower's "open skies" plan.

Stiffer Opposition
Khrushchev's remarks, made in answer to a reporter's questions, indicated a stiffening of the Soviet attitude of disarmament. Western delegates to the current negotiations in London of the U.N. Dis-

TO REPAIR POOL

The State Authority received an unofficial low bid of \$78,774 from the Gunite Grout Co., Inc., Conshohocken, for repairs to the swimming pool at Galedonia State Park in Adams and Franklin counties.

Repairs will be made to both bottom and side walls of the pool the GSA said. Work also calls for installing a new filtration and chlorination system.

GOOD RESPONSE TO FUND DRIVE BY FIRE DEPT.

"Very good progress" in connection with plans for the 94th Anniversary of the Battle of Gettysburg was reported Wednesday evening by Chairman Glenn Weishaar at a meeting of the Gettysburg Fire Department at the former CCC camp on W. Confederate Ave.

Much of the meeting was devoted to discussion of plans for the annual observance which will begin June 30 with a memorial service at the local high school auditorium, and includes a week-long carnival at the Recreation Field and a parade July 4.

Weishaar said water and sewer connections to the new section of the Recreation field to be used this year for the carnival have been completed.

WILL WELCOME IOOF-U.N. TOUR

The vanguard of some 600 high school sophomores and juniors from the U. S. and Australia on a United Nations tour sponsored by the Independent Order of Odd Fellows, will arrive in Gettysburg this afternoon. The first of 14 buses is due at about 3 p.m. Present plans call for the youngsters, 24 from Louisiana, 10 from Mississippi and 3 from Arkansas, to tour the battlefield, then be met at 6:30 o'clock this evening at Lincoln Square where they will be welcomed by Burgess William G. Weaver.

The buses will arrive at different dates, all enroute to the United Nations building in New York. The students were selected through a competitive program sponsored by the Odd Fellows nationally and in Australia.

Members of the local Odd Fellows and Rebekahs and perhaps state officials will welcome the group at the square and then go to the Odd Fellows home on Chambersburg St. for a program honoring the students.

Thomas Riddle, Curwensville, who won the national Odd Fellows speaking contest last year, will speak.

Wohlgenuth, Harrisburg.

At the afternoon session members dealt with a report on Higher Educational Institutions following a Memorial Service, Rev. H. Walter Weber, chairman of the committee, reported on the work at both Christian and non-Christian colleges.

"The three church colleges reporting were Gettysburg, Susquehanna, and Gettysburg Theological Seminary. Problems at all three institutions were similar, particularly the necessity of expanded physical plants to meet the increasing enrollments. President G. Morris Smith of Susquehanna University said that the best way to state the objectives of the work of these institutions was to find ways "to enable the student to find himself—to lose himself." He noted that Susquehanna would celebrate the 100th anniversary of its founding in September.

The education committee reported "splendid activity and growth" at the Gettysburg Theological Seminary. The 131-year-old institution supplies many of the ministers of the synod and at present has a record enrollment.

Rev. Arthur Ruths reported that there were 1,500 Lutheran students on campus at Pennsylvania State University.

At the invitation of the Board of Directors of Gettysburg College, the Central Pennsylvania Synod will elect three members to the board. In addition two will be elected by the Maryland Synod and one by the West Virginia Synod. This marks the first time in Gettysburg college history that the church will elect members to the board.

NEW YORK (AP)—The stock market, bobbing at the crest of its latest 1957 high, nudged ahead slightly in early trading today.

Pivotal stocks rose fractions to around a point. There was a good scattering of losers.

After a fairly active opening, turnover fell off. At the same time more losses appeared.

The advances appeared among some steels, rails, motors, aircrafts, chemicals and selected stocks.

RONALD B. HALL IS ELECTED TO LHS FACULTY

Ronald B. Hall, Allentown, a graduate of Millersville State Teachers College, who has done some student teaching at Littlestown High School, was elected as Industrial Arts supervisor at the meeting of the Littlestown Joint School Boards, held on Tuesday evening at the high school on Maple Avenue.

He will replace Charles E. Tressler, who has accepted a position as a college instructor in New Jersey. There are still several teacher vacancies in the Jointure and information concerning them may be secured at the high school office or by contacting Supervising Principal Paul E. King.

To Buy Bus
Village Chevrolet, Inc., was awarded the contract for the new 60-passenger Thomas bus, at a low bid of \$5,899.05.

The supervising principal reviewed the events held in connection with the end of the school term and presented the report of School Nurse Brenda B. Walker, which revealed 12 home calls during May and 189 first aid treatments at school, with three pupils requiring further treatment at the doctor's office or X-ray at the hospital. There were a few cases of communicable diseases during the last month of school, but the general health of the pupils was good. In summarizing the nurses report for the entire school term, it was disclosed that a total of 2,111 treatments had been given. A summary of the cafeteria reports was also presented to the board by Mr. King.

Appointment Auditors

Sterling J. Wisotzky, Germany Twp., Chester S. Byers and Paul E. Renner, of Littlestown borough, were appointed auditors for the 1956-1957 treasurer's books. The treasurer, Clayton Harget presented the following report: receipts for May, \$23,774.75; expenditures for general control, \$55.00; instruction, \$15,869.30; auxiliary agencies,

Urging Electric Roll Call System

A joint resolution was introduced in the House at Harrisburg Tuesday by Assemblyman Francis Worley of Adams County and Richard L. Adams of Berks County urging the Joint State Government Commission "to study and investigate the feasibility and desirability of installing an electric roll call system in the hall of the House of Representatives."

The resolution pointed out that audibility during roll calls is "a matter of importance" and that all possible corrective measures to "rectify present deficiencies" be taken.

HARRISBURG (P)—The House approved yesterday an allocation of \$24,399 to Dauphin County for the costs of the special grand jury investigation of the Pennsylvania Turnpike Commission. The committee sent the measure to the House floor.

It also cleared for floor action a bill to allocate \$3,200,000 as the state's share in construction of municipal sewage treatment plants.

Byers, Lowrey Close, Charles Crouse, David Herring and Brian Long.

The Uniform Rank of the Alpha Fire Company will participate in the firemen's parade at Taneytown this evening, leaving from the engine house at 6:15 p.m. The Littlestown High School Band will provide the musical accompaniment, leaving at 6:30 o'clock from the high school.

SENATE PASSES ONE-JOB BILL

HARRISBURG (P)—A Republican conflict-of-interest bill, patterned after recommendations of Gov. Leader, gained Senate approval 49-0, yesterday and was sent to the House.

The legislation would prohibit employees of the state from having any adverse interest in companies doing business with the state or in contracts let by the state.

It also would prohibit members of the Legislature from representing petitioners before the State Pardons Board.

Other bills passed by the Senate would:

Appropriate 40 million dollars for construction by the General State authority at the University of Pennsylvania, the University of Pittsburgh, Lincoln University and Temple University (46-3, to House).

Require the Highways Department to construct two toll bridges across the Susquehanna River near Safe Harbor and Hollywood in Lancaster County (45-4, to governor).

Require the retirement at 60 of all state policemen except the commissioner and his deputy (49-0, to governor).

Appropriate about 1 1/2 million dollars for repairs and construction at armories (49-0, to House).

Today's Talk

FACES
My father collected the printed faces of people, and put them into many scrapbooks. He impressed me with the idea that a face was a wonderful key to character. I have found this to be true. Oliver Wendell Holmes said that there is magic in a cheerful face. I have witnessed that kind of a face change the entire atmosphere of a crowded room.

I have several books in my library with the faces of authors and brief sketches of their lives. As I am a lover of books, these reference books are very interesting and instructive, for they show me the faces of writers whom I have never seen, or ever will. The faces are as revealing as their books.

We keep adding to this face of ours. We see more words in a human face. Stamped to the planes of a face are experiences of sorrow, joy, struggle, kindness, and often triumph. Every day of our lives are putting something there as a record. Neither painter nor photographer can get to the deep of a person's face. There is something else there that is rarely revealed.

The Creator presented to us the face that we have. Whatever changes occur in it throughout the year is our responsibility. We can put good cheer, a sense of happiness, courage, and patience into this face of ours. What a world of greatness looked out from the face of Lincoln!

A face without character is easy to note. How often we hear the expression: "What a good face he has!" There are faces that we immediately trust, and there are those that we don't. We can't hide this face of ours. It's the window to our mind and heart. Put something permanent into your face. It's the only one you will ever have!

Tomorrow Mr. Adams will talk on the subject: "The Power Within"

Just Folks

HEREDITY
Oh, where it all began
Tell now we never can
Who in those days of old,
Sailor or warrior bold,
Tinsmith or man of trade,
First wooed a blushing maid,
Married her so that we
Living this age might be.

None every step can trace
Back to the starting place;
Whose early love affair
Shines in the smile we wear?
Who shares in all our gains?
Whose blood is in our veins?
Who is of us a part
Body and soul and heart?

All that is sure is this:
Far off a blushing miss
Married an eager swain,
Starting a lengthy train.
Then, with the passing years,
Marriage once more appears.
Now dark the mystery lies
What had been, otherwise.

than previously because we are going into a new site, and it will take many men each night until the carnival.

Donation For Ambulance

Weishaar, as chairman of the ambulance corps, praised the operation of the ambulance so far. "Reports show that the members have been doing a good job and have received many compliments on their handling of injured persons and operation of the ambulance." A \$5 donation received Wednesday evening brought to \$30 the amount donated so far by persons who have used the ambulance. Weishaar said, "The use of the ambulance is free, but we appreciate the donations that have been made, because they will help defray the cost of operation of the ambulance."

Members of the ambulance corps who change employment or move from one home to another were asked to notify the telephone operators so their new phone numbers can be placed on the list at the telephone office. Under the plan set up, six members of the corps are on duty each week. When the telephone operator receives a call for the ambulance she rings the numbers of men listed until two men have been secured for duty.

The membership was asked its opinion on plans to move the engine house. President Harold Culp said borough council is planning to establish a new fire house, borough shed, police office, community meeting building. He said several sites are proposed, and said firemen had been asked to express an opinion concerning location. A majority of the firemen said that, if possible, a site near the center of town should be secured to cut down traffic dangers and time consumed in reaching any part of the town.

Elect New Member

Robert Nelson Hefflin, 22, of 22 York St. was elected a new member of the department.

Fire Chief Donald McSherry reported that he had received word the new fire engine will be delivered here about July 3.

Dr. Wolf

(Continued from Page 1)

established and cared for two mission churches. In 1917 he began a twenty-eight year stint as pastor of St. Matthew's Church, Bloomsburg. Dr. Wolf concluded his active pastorate at Zion Lutheran Church, Fairfield, coming to the parish in 1945 and retiring in 1953.

Since his retirement as a pastor, Dr. Wolf has been as active as ever in carrying out the duties of the ministry. He has served one year as supply pastor for Flohr's Lutheran Church, Gettysburg; six months at Dillsburg and Franklin Church; 11 months at St. James Lutheran Church; and is concluding a four-months service at the New Franklin charge in the Cumberland Valley.

It would seem from appearances that both Dr. and Mrs. Wolf pass anniversaries like milestones, with great strides that are a measure of the stamina and bounce which are characteristic of both of them.

Native Of Gettysburg

Mrs. Wolf is a native of Gettysburg where she was graduated from Gettysburg High School before attending Irving College, a school for girls in Mechanicsburg which has since closed.

The couple has two sons, both graduates of Gettysburg College and Seminary and both living in Ohio. The older son, Rev. J. Louis Wolf, is pastor of Trinity Lutheran Church, Lakewood, Ohio. He is married and the father of a son John, Jr., and a daughter, Sara. The younger son, Dr. Richard C. Wolf, holds the chair of Church History at Oberlin Seminary, Oberlin, Ohio. Married, he has one son, Norman Tracy. Held in high esteem for his pastoral work, Dr. Wolf was honored by Susquehanna University, Selinsgrove, in 1926, when he was awarded the honorary Doctor of Divinity degree for his distinguished service.

Looking forward to a quiet anniversary celebration the Wolfs were both surprised and thoroughly delighted at the attention showered upon them. On June 5 they were entertained by their niece, Mrs. Ralph Streig, Hagerstown. On Wednesday their sons and their families completed the surprise with the reunion at their home. More than 400 cards of congratulations from as far away as Honolulu and Canada brightened the celebration.

Members who have O-positive blood were asked to volunteer their services in connection with an operation on a local girl on Tuesday.

Cardinals Move Into Fourth Place, One Game From Top; Pirates Beat Redlegs Again

By ED WILKS
The Associated Press

The St. Louis Cardinals, rocketing along while the rest of the hot-shots flizzed, finally have themselves a spot in the National League's first division — a fourth-place berth that's only a game removed from the lead.

In a week's time, the Cards have won eight in a row, making up 5½ games on the leaders in a rush that's been carried by three pitchers and a couple of old pros named Stan Musial and Del Ennis. Last night they defeated Philadelphia 4-0 to gain a share of fourth with the falling Phils.

Bucs Pound Reds
First-place Cincinnati was slugged a third time in succession by seventh-place Pittsburgh, this time in a 4-3, 10-inning decision. That left the Redlegs half a game ahead, five percentage points in front of Milwaukee and Brooklyn, deadlocked for second after the Dodgers put an end to a four-game skid with an 11-9 victory over the Braves.

The New York Giants, with all their runs unearned, defeated the Chicago Cubs 4-3 in the other NL game.

In the American League, the Chicago White Sox regained a five-game lead, defeating the second-place New York Yankees 7-6 despite a four-RBI, two-home-run show by Mickey Mantle. Cleveland retained third, beating Boston 6-1. Fourth-place Detroit stopped Baltimore 4-2. Kansas City and Washington split a two-night pair, the A's winning 5-3, then losing 3-2.

Musial and Ennis have batted in 18 of the Cards' 37 runs. Last night Musial singled and doubled, scoring a run, while breaking the league record for consecutive game played set at 822 by Pittsburgh's Gus Suhr from 1931 to 1937.

Ennis, batting .353 in the Card surge, walloped his fourth home run in the streak, a three-run job that bagged it for good against Robin Roberts.

Jackson Wins 8th
Larry Jackson, a relief pitcher gone square, won his eighth of the season with a nine-inning, right-hander has won two in the eight-game string, as have veteran Murry Dickson and bonus kid Lindy McDaniel.

The Dodgers had a 9-1 lead after two innings as winless Gene Conley took his fourth defeat. Charlie Neal drove in the final four Brooklyn runs with a triple and home run. Frank Torre, Ed Mathews and Hank Aaron hit home runs in the last two frames for the Braves. Ed Roebuck, relieving Johnny Podres, needed relief himself to win his first.

Redlegs Blow Lead
The Redlegs blew a 3-1 lead, a single by Gene Freese beat reliever Tom Ackers. Roy Face won it in relief. Ted Kuszewski, just off the disabled list, hit into a forceout in a pinch-hit try—his first appearance with the Redlegs since April 25.

Mantle, who now has 18 home runs after hitting seven in eight games and four in his last three, was 4-for-5, throwing a late scare into the Sox with a two-run, 425-foot homer in the ninth. Walt Dropo batted in three for Chicago, with a two-run homer that tied it in the second and a single that brought across the first of two fourth-inning markers that gave the Sox the lead for keeps. Yanks Hank Bauer and Bill Skowron and Jim Rivera of Chicago also homered.

Jack Harshman Wins
Jack Harshman failed to finish, but won his second in 10 decisions with the Yankees, Johnny Kucks lost it.

Cleveland scored five runs in the second, four of them unearned as loser Bob Porterfield uncocked an error and also balked. Al Smith singled home a pair in the big frame, which brought Don Mossi a fourth victory.

Jim Bunning fanned seven in a six-inning against the Orioles. He walked none, but gave up homers to Bob Nieman and Bob Boy in winning 1-5 sixth. J. W. Porter smacked a two-run homer off loser Art Ceccorelli.

Willie Mays' three-run homer tied it for the Giants in the sixth. Then he stole third in the ninth and jogged home with the winner as catcher Cal Neuman threw wild on the theft. Al Worthington won his seventh in relief.

Lou Skizas, Gus Zernial and Hal Smith homered in the A's victory. Reliever Truman Cleveland, unbeaten, won his fifth in the second game as Rocky Bridges hit a sacrifice fly to break a 2-all tie in the ninth.

WEDNESDAY'S STARS
By THE ASSOCIATED PRESS
PITCHING — Jim Bunning, Tigers, walked none and struck out seven, tying for the American League strikeout lead with 70, while winning sixth of season and fifth in a row with six-hitter that beat Orioles 4-2.

HITTING — Mickey Mantle, Yankees, walloped two home runs

one a 425-foot belt, and drove in four runs with a 4-for-5 night in 7-6 loss to White Sox.

162 BEGIN PLAY TODAY IN 57TH NATIONAL OPEN

TOLEDO, Ohio (AP)—Amid some murmuring among the athletes about closely cropped greens and uncropped rough, a field of 162 started today in quest of the 57th National Open Golf Championship at historic Inverness Club.

Eight champions were on hand. The others ranged in age from 17-year-old amateur Jackie Nicklaus of Columbus, Ohio, to 62-year-old wee Bobby Cruickshank of Pittsburgh, who tied for the title 34 years ago but lost the playoff to Bobby Jones.

The Inverness course measures 6,919 yards of treacherous terrain, windswep as a rule, and studded with 117 traps and hundreds of trees. A small stream meanders across seven fairways.

Par May Win
"Old Man Par" is 70. But the experts are picking him to whip the field.

Everyone seems to think the new champ, at the end of the 72-hole medal play test which winds up with Saturday's 36-hole marathon, will come from a talented bracket including four-time champion Ben Hogan, four-time runner-up Sam Snead, Masters champion Doug Ford, PGA champion Jack Burke whose dad tied for second here 37 years ago and Peter Thomson of Australia, three-time winner of the British Open.

The big hazard is the small and slick putting surfaces. In yesterday's last free fling around the course most of the field failed to find the answers.

One pro, after three-putting from 12 feet, said: "The best way to handle these greens is to hold the putter a bit above and behind the ball, then tap the ball lightly with the shadow."

Jalopies To Race At Grove Friday

WILLIAMS GROVE, Pa.—Eleven jalopy races have produced ten different winners at the Williams Grove Speedway, and the twelfth stock car race scheduled for Friday night on the half-mile oval will probably see another driver crack the winner's circle in the stiff competition typical of the current season.

Last season's entire 24 races produced only ten winners, and some of the lads overdue will be shooting for their first victory this year.

Delta's Johnny Mackison is the only driver who has been able to win two races so far this season, while George Speck, the champion for the past two years, came through for the first time in 1957 by winning the main event this past Sunday.

BRAGAN LAUDS FRANK THOMAS FOR BUCS SURGE

PITTSBURGH (AP)—Manager Bobby Bragan said today the main reason for his hustlin' Pittsburgh Pirates have beaten the Cincinnati Redlegs three consecutive games is Frank Thomas, whom he called "one of the most versatile and best players in the majors."

"The worm is turning just a little," said Bragan. "We're getting a few breaks that went the other way earlier in the season. Now we've tied our season's longest winning streak at four games, and one of the big reasons is Thomas."

In last night's game, won by the Pirates 4-3 in 10 innings, Thomas had two singles in three times at bat to boost his batting average to .338, fifth best in the National League. His hits drove in two runs to give him a total of 29 RBIs.

Strategy Pays Off
"And look what he did in the 10th when Dee Fondy got a lead-off walk," Bragan continued. "I knew Thomas might be a pinch to get a hit but the strategy called for a sacrifice and Frank laid down a good one. It paid off because Gene Freese came through a moment later with the game-winning single."

Thomas, who has to take a look at the lineup daily to determine where he's playing, was in left field last night. He turned in a brilliant play in the second inning. Ed Bailey was on first when Don Hoak sent a scorching liner toward Thomas, who caught the ball at his shoetops and threw to first to double Bailey.

"That's the kind of an arm the boy has," Bragan said. "In the infield he's terrific, especially getting that ball over from third to first."

The Amvets edged Fairfield 7-5 Wednesday evening as the teams opened their schedules in the Fairfield Lions League.

After Fairfield tabbed a pair of runs in the top of the first, the Amvets scored three times in their half and added four in the third to triumph after warding off a late Fairfield rally.

Joe McCauslin hammered a double for the winners and John Weikert also doubled for Fairfield. The lone batter to secure more than one hit was John Lott of Fairfield who connected for two singles.

Eastern League

By THE ASSOCIATED PRESS
The Eastern League's Big Two—Binghamton and Schenectady—received disrespectful treatment last night.

Usually weak in the pitching department, the Albany Senators came up with a three-hit performance by Stan Willis and edged Binghamton 4-3.

At Reading, the Indians walked over Schenectady 10-1 as Dave Wegerek pitched his eighth victory. He has suffered one loss.

Syracuse broke even with Springfield in a doubleheader at Syracuse. The Chiefs won the opener 7-6 when Ed Kneuper homered with one aboard in the seventh and final inning. Kneuper homered again in the seventh in the nightcap for three runs, but the Chiefs lost 8-5.

LOS ANGELES (AP)—Bob Alton, 54, veteran Broadway and Hollywood stage director and choreographer, who staged the Aqueduct at the New York World Fair in 1939 and directed stage productions of the "Ziegfeld Follies" and other Broadway hits, died yesterday. His real name was Robert Alton Hart.

Meet Friday To Form Cage League

A meeting for the purpose of organizing an adult outdoor basketball league will be held Friday evening at 7:30 o'clock at the courts at the Recreation Park. It was announced today by Chester Hilger, recreation director.

In the event of inclement weather, the meeting will be held in the recreation office at the Gettysburg High School building.

DORSEY RITES ON SATURDAY

NEW YORK (AP)—A Requiem Mass will be offered at St. Patrick's Cathedral Saturday at 10 a.m. for bandleader Jimmy Dorsey, who died yesterday of lung cancer.

The public will be permitted to view Dorsey's body at a funeral home from 2 p.m. today to midnight tomorrow.

Burial will be in Annunciation Church Cemetery, Shenandoah, Pa., the town where Jimmy and his late brother Tommy were born.

In 1949 Jimmy was divorced by the former Jane Porter, his wife of 21 years. Since he never remarried, he will be buried with the rites of the Roman Catholic Church to which he belonged.

Tommy, married three times, was not eligible for Catholic burial.

Jimmy, 53, died 6½ months after Tommy, 51, choked to death in his sleep in his Connecticut home.

aggression if it wants to." The party chief said the problem of disarmament could be solved only through confidence and trust, particularly among the great powers.

"Inspection Poets"
He said despite the present lack of international confidence, the problem of banning nuclear tests can be settled immediately.

"If such an agreement would be facilitated by the establishment of inspection posts in the Soviet Union, the United States, Britain and other countries, we would agree to that," he declared.

Khrushchev and Bulganin met the press just before boarding a special train for Moscow after a week-long barnstorming tour of Finland.

More than half the press conference was devoted to a prepared statement read by Bulganin and three prepared questions to which Khrushchev already had typewritten answers. Other questions, submitted by reporters in writing, were answered by Khrushchev as Bulganin sat by, stroking his goatee and smoking an occasional cigarette.

The measure cleared the Legislature yesterday with Senate agreement in House amendments. The revised form was approved in the House Tuesday.

BEARS BLANK PENN STATE FOR '57 TITLE

OMAHA (AP)—California, winner of the first NCAA College Baseball World Series in 1947, is once again the champion.

The Bears marched into the throne room last night when they blanked Penn State, 1-0, for their fifth straight win of the 1957 series and their third shutout of their five games.

And the whole West Coast cheered when the Bears won. Rightfully so it was—for the West Coast team had won but one of 11 games in the five series before this year.

Beaten Only By Bears
Penn State won 22 of 24 games this season, losing two by shutouts—4-0 and 1-0—at the hands of California in the double elimination series.

The game that ended the series was California's toughest and the Bears had to beat the tourney's most outstanding player award winner in pitcher-first baseman Cal Emery.

Emery's First Loss
They got the run that won in the fifth inning when Emery's control slipped and he walked Bernie Kelly. Kelly proceeded to steal second and third but he could have left out the larceny because he scored on pitcher George Stierling's triple.

Stierling's shutout was his second of the series, the Bear ace having blanked Colorado State in his first start. For Emery, who led his team both on the mound and at bat, it was his first loss in 12 starts this season.

UPPER ADAMS PONY LEAGUE OPENS FRIDAY

The newly organized Upper Adams Pony Baseball League for boys 13 to 15 years of age, inclusive, will open its 1957 schedule Friday evening when the Red Legs play the White Sox at Biglerville.

Wilson Wenk is serving as supervisor for the three-team circuit.

Teams and their managers are: Arentsville White Sox, John Stover; Bendersville Orioles, Chester Ogden, and Biglerville Red Legs, Kenneth Lawver.

The schedule follows:
June 14, Red Legs vs. White Sox at Biglerville; 17, White Sox vs. Orioles at Arentsville; 21, Orioles vs. Red Legs at Bendersville; 24, Red Legs vs. Orioles at Biglerville; 28, White Sox vs. Red Legs at Arentsville.

July 1, Orioles vs. White Sox at Bendersville; 5, Red Legs vs. White Sox at Biglerville; 8, White Sox vs. Orioles at Arentsville; 12, Orioles vs. Red Legs at Bendersville; 15, Red Legs vs. Orioles at Biglerville; 19, White Sox vs. Red Legs at Arentsville; 22, Orioles vs. White Sox at Bendersville; 26, Red Legs vs. White Sox at Biglerville; 29, White Sox vs. Orioles at Arentsville.

August 2, Orioles vs. Red Legs at Bendersville; 5, Red Legs vs. Orioles at Biglerville; 9, White Sox vs. Orioles at Arentsville; 12, Orioles vs. White Sox at Bendersville; 16, Red Legs vs. White Sox at Biglerville; 19, White Sox vs. Orioles at Arentsville; 23, Orioles vs. Red Legs at Bendersville.

Two Local Golfers

Enter Hershey Open
HERSHEY, Pa. — Aside from shooting at top prize money of \$1,000, golf pros competing in the forty-first annual Pennsylvania Open over the courses of the Hershey Country Club and Hershey Park Golf Club on Monday will also be out to crack the competitive course record of 65 strokes.

The record for the par 73 layout is held jointly by Henry Picard, former pro at the Hershey club, and Joe Turnesa and Jimmy Hines. Picard set the mark originally in winning the Hershey Open in 1937.

Upwards of 140 golfers, representing the cream of the state's professional and amateur ranks, are expected to be on hand. Prize money totals \$3,000 with fifteen prizes ranging from the \$1,000 to the victor to \$35 for the fifteenth place finisher. Trophies will be presented the three best amateur performers.

Dick Sleighter, pro at the Gettysburg Country Club, and Dr. Donald Wickerham, Gettysburg amateur, will participate. Last year Sleighter finished second in the professional event.

TOLEDO, Ohio (AP) — Ben Hogan withdrew from the 57th National Open golf championship today after stricken with severe back and chest pains.

After receiving a 54-minute delay in his starting time to permit diathermy treatment, the four-time champion from Fort Worth, Tex., returned to the Inverness course, dressed and took some practice shots.

Then, obviously in great pain, he turned to officials of the U.S. Golf Assn. and said: "I'm afraid I can't make it."

Johnny Powers hit 39 home runs and scored 131 runs to lead the Southern Assn. in both departments in 1956.

The Eagles grabbed sole possession of first place in the Big Little League Wednesday evening by breaking their first-place deadlock with the Elks via a 4-3 victory.

A triple play, executed for the Eagles in the fifth inning by R. Weikert, T. Crist and Kenworthy, stopped a promising Elks' rally.

The deciding run was scored in the top of the seventh inning when Bob Furney walked with the bases full to send over Sanders who had previously reached base via an error.

Both teams scored twice in the first inning. The Eagles tallied on a double by T. Crist, walk to Furney and single by Ketterman. In the last half the Elks countered with a pair. Sixeas was safe on an error. Bricker singled and stole second. After Sixeas was cut out attempting to score on Hise's infield grounder, Townsend singled home both runners.

T. Crist homered over the left field fence in the third to give the Eagles a 3-2 lead. The Elks knotted the count in the sixth when Bricker singled and scored following three consecutive miscues.

PREDICTS REDS WILL DESTROY "CAPITALISM"

By ROY ESSOYAN
TAMPERE, Finland (U-Soviet Communist party boss Nikita S. Khrushchev predicted Wednesday the Communists will destroy capitalism, not with nuclear weapons but through the spread of the ideology.

"We are as sure of this as we are sure the sun will rise tomorrow," Khrushchev said in an off-the-cuff speech during a tour of the Lenin Museum in this city. Khrushchev and Soviet Premier Nikolai Bulganin are on a hand-shaking tour in Finland.

"We want the capitalists," the Communist chief said, "we have a newer and better weapon, a weapon that no one else possesses, stronger than the atom or hydrogen bombs: The ideological weapon."

"All We Have To Do"
He added: "All we have to do is grease our ideology with butter." That is just what the Bulgannin-Khrushchev tour apparently have been intended to do. U.S.S.R. has no intention of calling off the war of ideas.

"We believe in noninterference in the internal affairs of other countries, but in on field we can not compromise, and that is ideology."

It was the most outspoken talk Khrushchev has made since he and Bulganin began their six-day tour. The two were concluding their swing in this city where Stalin and Lenin, the two leaders of Bolshevism, first met 52 years ago.

Vote On Welfare Future Thursday

HARRISBURG (U) — A Republican plan to abolish the State Welfare Department next year may reach a final vote in the Legislature tomorrow.

The proposal, approved 191-2 by the House last Thursday, gained approval from the Senate's State Government Committee yesterday. This put it in position for a Senate vote.

Another bill winning Senate committee approval would: Establish a 12-member Labor Utilization Board in the Labor and Industry Department to deal with the problems of employment of the aged.

PONDERS FATE OF GI JAP CASE

WASHINGTON (U) — A federal judge today pondered arguments over whether trial in a Japanese court would violate the constitutional rights of William S. Girard. But Judge Joseph C. McGarraghy indicated he would not reach a decision until sometime next week in the case of the Ottawa, Ill., soldier charged with killing a Japanese woman in what Girard said was an accident.

In arguments Tuesday, attorneys challenged the right of the U.S. government to turn Girard over to a Japanese court.

McGarraghy indicated he believes the issue for him to decide is whether Girard has a constitutional right to be tried by an Army court-martial rather than a Japanese court.

Pending his decision, McGarraghy kept in force an order directing that Girard "not be delivered to custody or control of any foreign government or power." The 21-year-old specialist third class now is in U. S. Army custody.

WASHINGTON (U) — Secretary of State Dulles said Tuesday the United States attaches first importance to its relations with its allies and will not throw their views into the discard just to make speed with the Soviet Union on a disarmament agreement.

Dulles told a news conference that some aspects of disarmament probably can be talked about with Russia on an informal basis.

IS OPPOSED TO DEALING WITH COMMUNISTS

WASHINGTON (AP)—Rep. Simpson (R-Pa.) says there should be no negotiation with Communists until the fate of hundreds of Americans missing in the Korean War is learned.

Simpson's statement followed his disclosure yesterday of an Army Department's report to him on the status of the missing men. The report said "no satisfactory accounting has yet been received" on the fate of Americans now believed to number 450.

The report summed up developments since Sept. 9, 1953, when the number of missing U.S. military personnel was placed at 3,404. By August, 1954, the number was reduced to 526, and Communist representatives in the Armistice Commission again were asked for an accounting.

The report said the list of missing was reduced to 450 and an accounting was asked for by the United Nations on Nov. 26, 1955.

The report said efforts continue to get a satisfactory accounting of this number.

Simpson commented: "We can only hope that one day we will know the fate of these brave Americans. Until that day, our government should not relax its efforts."

Boy, 15, Drowns In Delaware River

PHILADELPHIA (AP)—A 15-year-old boy from the Frankford section of Philadelphia drowned while swimming with three friends in the Delaware River near the Wissinoming Yacht Club last night.

He was identified as Albert Taylor of 4631 Leschner St.

William Blackwell, 15, of 2008 Wilmont St. who was swimming near Taylor said he tried to hold the victim up when he was in distress but finally had to let go because of the weight.

Emmitsburg

BIBLE SCHOOL OPENS MONDAY

The Emmitsburg Vacation Church School will open next Monday morning for a five-day session in the Lutheran parish house with daily sessions from 9 to 11:30 a.m. The first class session will be held from 9 to 10 a.m. and the second from 10:30 to 11:30 a.m. with an assembly from 10 to 10:30 o'clock each day.

Children from two to 15 years of age are invited to attend.

The school will be directed by the Rev. Philip Bower, pastor of the Elias Evangelical Lutheran Church, with the help of a staff of 20 teachers and assistants. Each class will arrange for its own recreation time and activities. There will be a closing picnic and program for the public. The new Vacation Church School series, "Bible Stories to Live By," will be used throughout the school.

Orrtanna

ORRTANNA—Preceding the worship service at the Mt. Carmel EUB Church Sunday morning the following were received into membership by the pastor, Rev. Roger Burtner: Mrs. Esther Rae Chapman, Donald Robert Chapman, Gary Lee Moritz, Clark Dennis Shaffer, Charles Edward Beasley and Rodney Lynn Shaffer.

During the worship service a sextet composed of Carol Sillick, Lucy Moritz, Sarah Jane Metz, Carol Wetzel and Donna Sillick, sang "Faith of Our Fathers" accompanied at the piano by Mrs. Clyde Metz.

Mrs. Ruth Shindler visited Sunday at the home of her uncle and aunt, Mr. and Mrs. Roy Detrow, Smithburg, Md., where Mrs. Detrow, 82, is critically ill following a paralytic stroke. Mrs. Shindler was accompanied to Smithburg by her son-in-law and daughter, Mr. and Mrs. James Cullison, Gettysburg, and Glyde Lauver.

Mr. and Mrs. Dale Wetzel and daughter, Marie, and the former's mother, Mrs. Luther Wetzel, Orrtanna R. D., attended commencement at Pennsylvania State University Saturday when the former's

Parents have been asked to pool transportation arrangements. Dr. J. W. House will gather a carload of children along the Gettysburg Rd. and Nina Shank will bring a carload from the Zora section. Other haulers are being sought.

The installation of teachers and helpers will be part of Monday morning's program. Shirley Hahn will be in charge of Tuesday's assembly. Nina Shank on Wednesday, Betty Chapman on Thursday and Mrs. C. C. Combs on Friday. Classes have been planned for Nursery, Kindergarten, Primary, Junior and Senior groups.

Pennsylvanians Have Two More Weeks Of Strawberries

By ELSIE BAMESBERGER
June, June, June . . . June is bustin' out all over, since the busy berry season is here once again. It only lasts but a little while. Now's the time to get an early start to make up for the fresh berries you failed to eat last strawberry season. Usually the season slips out of sight and most of us suddenly realize all fresh berries are gone when we've just started to enjoy them. That's the sad story of strawberries — "Here Today — Gone Tomorrow."

So don't be left wanting this year. Pennsylvanians can enjoy fresh strawberries for about two more weeks depending on the weather.

Strawberry, Source And Supply
It's a record strawberry crop this year, for the country as a whole. Pennsylvania and New Jersey crops will be larger than last year. California's April and May production is three times greater than in the early 1950's. Large quantities are traveling from there to our markets. California supplies are easing off, as the local harvest now gets underway.

California has offered stiff competition to Louisiana, Kentucky, Tennessee, and the South Atlantic States. The important strawberry states in the eastern half of the country are Louisiana, Tennessee, Kentucky, Michigan, with New York the only large northeastern producer. In past years, Maryland, Virginia, and North Carolina were our major sources of early berries.

When selecting at the store look for fresh, clean, bright berries; a glossy red color — no white spots; bright green caps or hulls; no moisture or soft spots.

Berries which have long been sold in wooden cartons now appear in plastic containers. This new container allows for better ventilation and permits good ventilation.

Caring For At Home
Remove carefully from carton and place on a tray or shallow pan. Pick out the bruised or soft berries. Cover with waxed paper and store in the refrigerator. Top quality will last only 1 or 2 days. So use them soon.

Wash gently and quickly in cold water. Lift berries out of the water, so sand and dirt sifts to the bottom. Don't soak in water . . . they will lose vitamins and become waterlogged. Remove caps, using knife or spoon, after berries are clean and dry.

Good To Eat
Fresh strawberries arrive at the time when fresh oranges and grapefruit are on the decline. This is good, for strawberries can help supply the ascorbic acid (Vitamin C) we get from these citrus fruits. So — not only good to eat — but good for us.

is this berry. A cup of strawberries contains enough Vitamin C for an adult's daily needs and almost enough for a growing teen-ager — at the cost of only 55 calories per cup.

Strawberries don't need fancy treatment. Some of the old favorites are the best . . . strawberries with cream, sweet, sour or whipped; strawberry shortcake; strawberry sundae; strawberries dipped in powdered sugar; strawberries as a topping for pudding, cereals, salads or pies.

Or — if you like 'em fancy — with a little more frill and fuss!

Bake a jelly roll. Roll it up with strawberries and whipped cream. Make a strawberry pie — plain, chiffon, or tart. Make strawberry jam or preserves (the small berries can be used in this way).

And don't forget . . . this is the season for freezing. Choose the best berries.

Buried Shamokin Miner Found Dead

SHAMOKIN, Pa. (AP) — A 19-year-old miner buried under 50 tons of shale for 36 hours in a coal mine cave-in was found dead last night.

Hope had waned for Frank Puf-nock as the searchers, working in shifts, were hampered by sliding rock and walls of the shaft that had to be shored.

However, Mrs. Elizabeth Puf-nock was waiting by the cave-in when her son's body was brought out. Also standing by were friends, relatives and the miner's teen-age girl friend, Jean Kershner. Miss Kershner collapsed.

Divorced Hubby To Get \$1,200 Monthly

LOS ANGELES (AP) — A woman who divorced her architect husband on grounds of extreme cruelty is going to give him \$1,200 a month for the next 10 years to help him in his career.

"He has a great talent and should have the opportunity to develop it," said Mrs. Julianna Kemper Beckett yesterday in court. She said the support payments for William Sutherland Beckett would come from a trust fund established for her by her family.

Mrs. Beckett was awarded the contested divorce after testifying that Beckett had "an ungovernable temper" and struck her on several occasions. They were married in 1948 and have three children.

Beck Feels Hurt That Friends Didn't Come To His Assistance

By E. Q. ANDERSON
SEATTLE (AP)—"I go to bed at night and I never wake up until morning. . . I've been in this for 40 years and whatever happens doesn't bother me."

It was Dave Beck, president of the International Brotherhood of Teamsters, speaking.

He had called newsmen in to present his side of a controversy over investment of union funds.

But after that had been disposed of, the discussion came around to more personal things.

Had Wanted To Retire

Such as his decision to retire as union boss, after unfavorable testimony at hearings held by the Senate Rackets Committee and charges of income tax evasion filed against him in federal court in nearby Tacoma.

Beck said he had wanted to retire a year ago but other Teamster officials had persuaded him to stay on.

He said 95 per cent of his decision to not seek re-election is the ill health of Mrs. Beck.

Bothers His Wife

"My wife reads this stuff and it bothers her. I don't want to go through a continuous dogfight. I've reached the time when I'm entitled to say to hell with it." He pointed out he would be 63 next Sunday.

He predicted "this hysteria" would die down. "You can see what the Supreme Court is doing every time it meets," Beck said, apparently referring to a decision

Monday involving use of the Fifth Amendment by a Teamster official.

A newsmen asked him if he "felt hurt" over "this ruckus."

Resents Silence

The husky labor leader paused, took a deep breath, and said: "I don't feel hurt over what happened in Washington but I feel hurt over what happened in my own community."

"I feel hurt because of all the people I helped finance their projects not a . . . one said, 'We never had that experience with Dave Beck.'"

Beck seemed resentful that benefactors of his charities have not come publicly to defend him.

"Why don't you check with the American Legion who I helped get \$15,000 or the YMCA (\$15,000), the YMCA (\$17,000), the Children's Orthopedic Hospital (\$15,000), or Bellarmine High School in Tacoma (\$19,000) or a lot of other groups?" he asked.

"Nobody Fronts For Me"

As to anyone buying property in his behalf, Beck declared, "Nobody fronts for me."

But he said if a friend or a relative had a chance to make a good investment he saw no reason why he shouldn't loan them the money for it. He said, "It's a lie that money comes back to me."

Then the question came up of his use of the Fifth Amendment at the Senate Rackets Committee hearings. "If you answer one question, you have to answer them all and you may drag in other people. . . I acted on the advice of my attorney."

Won't Name Successor

What will he do after retirement? "I've been successful in my personal investment," he replied. "Taking care of them will keep

PARIS ASSEMBLY APPROVES 22ND FRENCH PREMIER

By JOSEPH E. DYNAN

PARIS (AP)—A resigned, reluctant National Assembly early today confirmed Maurice Bourges-Maunoury as France's 22nd post-war premier by a majority of less than 50 votes. The action ended a three-week Cabinet crisis.

Both the preballot debate and the 240-194 vote itself reflected the Assembly's lack of enthusiasm. Seventy-three deputies abstained.

Bourges-Maunoury fell 53 votes short of an absolute majority of the Assembly's 595 members. But only a majority of those voting was needed to install him.

Bourges-Maunoury's program on which he took office virtually duplicates that of his predecessor, Socialist Guy Mollet. The new Cabinet chief, who was Mollet's defense minister, promised the Assembly continued vigorous military action against the Algerian rebels, limited political reforms in the rebellious North African territory, new taxes and fewer imports to rebuild France's almost-gone stock of foreign exchange.

The new Premier got the support of all but eight members of his own Radical Socialist party, a middle road group. He also was backed by the Socialists and most of the conservative Independent Republicans.

Opposing him were the Communists, the extreme right-wing Pou-

me busy. Newsman pressed him to name who he believed should succeed him. Beck laughed, saying several men are capable of holding down the job. But why should he name one man and make three others angry at him?

jadists and the Assembly's lone wolf, former Premier Pierre Mendès-France. The other parties abstained.

Bourges-Maunoury at 42 becomes the country's youngest premier since 1883. The average age of his 14-man Cabinet is less than 50 and includes 37-year-old Felix Gaillard in the key spot of finance minister.

The selection of Gaillard was an important factor in gaining support of the conservatives, who acknowledged publicly their faith in his economic background and come when they find out on what sections or the business community new taxes will fall.

Bourges-Maunoury warned the Assembly that the government will soon be forced to dip into the Bank of France's billion-dollar gold reserves to make ends meet through the summer. He also said nonmilitary expenditures must be cut by about 700 million dollars while new taxes must be levied to raise an additional 420 million dollars to help pay for the war in Algeria.

Bourges-Maunoury's first big test will come when the new tax program is presented. That was the issue on which the conservatives toppled the Mollet government because it wanted to put new taxes on big business.

Newark Pigeon Is Big News In Hawaii

NEWARK, N.J. (AP)—There's a bird that's just another pigeon here but he's big news in Hawaii. Some time ago patrolman Nate Harris, a guard at Municipal Court, entered the pigeon—one of 500 he has—in a long-distance race.

The pigeon left the course however and disappeared. Now Harris has learned the bird showed up in Wahiawa, Hawaii, Saturday. Mrs. Mary Ross recorded the bird's tag number and notified Harris while a Honolulu newspaper put its picture on page one.

19 Years' Service Before Her Degree

PHILADELPHIA (AP)—Mrs. Walter J. Daly got a diploma as a registered nurse from Baylor University in 1938 and postponed taking further college work for other matters.

Yesterday Mrs. Daly, 37, got her degree of Bachelor of Science in Nursing from the University of Pennsylvania.

During those 19 years she served eight years as a first lieutenant in the U.S. Army Nurse Corps, was with a unit awarded a Presidential Citation for action under fire at Anzio in 1944, got married and had three children—Michael 10, Marcella, 9, and Patrick 7.

When she finally got around to going back to school, Mrs. Daly got her degree in the regulation four years.

Saves Daughter, 3, And Falls To Death

PITTSBURGH (AP)—Thomas Bennett, 45, saved the life of his daughter, Deborah, 3, yesterday—then fell to his death.

Police said Bennett rushed to a second-floor porch as he saw Deborah tottering on the railing. He pulled her backward but lost his

balance and plunged through the railing to the ground.

Bennett's daughter, Marie, 9, had followed her father to the porch. She grabbed Deborah's feet to prevent her from falling through the broken railing.

America's first billionaire was John D. Rockefeller.

SCHOOL DISTRICT OF THE BOROUGH OF FAIRFIELD
NOTICE OF INTENTION TO ADOPT
RESOLUTION PROVIDING FOR THE IM-
posing, levying, assessment and collection
of a realty transfer tax for general re-
venue purposes for the School District of
the Borough of Fairfield, Adams County,
Pennsylvania, prescribing the method and
manner of collecting said tax, providing
for certain exemptions, and imposing
penalties.
The Board of School Directors of the
School District of the Borough of Fair-
field, Adams County, Pennsylvania, hereby
gives notice of its intention to adopting
resolution on the 25th day of June, 1957,
at a meeting to be held on said date at
8:00 o'clock p.m., D.S.T., at the First
National Bank Building, Fairfield, Penn-
sylvania, said resolution providing for the
imposing, levying and collection of a tax
for general revenue purposes of said
school district, upon the transfer by deed
of real property or any interest in real
property, situate wholly or partly within
the Borough of Fairfield, Adams County,
Pennsylvania, at the rate of one per cent
(1%) of the value of the real estate,
or lands, tenements, or hereditaments, or
any interest therein, situate within the
said Borough of Fairfield, which is so
conveyed or transferred; conferring pow-
ers on the Recorder of Deeds of Adams
County, Pennsylvania, and other persons;
prescribing the method and manner of col-
lecting the tax; and providing certain
exemptions and imposing penalties.
The reason which, in the judgment of
the Board of School Directors of said
district, necessitates the imposing of the
tax, is to obtain additional funds to
finance the school district's pro rata share
of rentals for the elementary and sec-
ondary buildings of Fairfield Joint School
System.
The amount of revenue estimated to be
derived from the tax is Three Hundred
(\$300.00) Dollars annually.

YOSKO CHARGES SHORT-CHANGE OF HOSPITALS

HARRISBURG (AP)—Sen. Joseph J. Yosko (D-Northampton) today charged Republicans with an attempt to shortchange state-aided hospitals by four million dollars.

He said a GOP-approved appropriation of 24 million dollars for 187 community hospitals would mean a daily reimbursement for charity ward patients of only \$7.56 instead of the \$9 listed in the bill.

"If the hospitals are to receive \$9 a day for charity patients, then the appropriation must be 28 million dollars—not 24 millions," he told a newsman. "This is a short-change act if I ever saw one."

Hospitals now are reimbursed by the state at \$8 a day for each charity patient.

Battle On Floor

Yosko said he would carry his battle to the floor of the Senate with support of the Senate Democratic caucus which last night voted an all-out fight on the issue.

The struggle on the \$1,120,000, 000 general appropriations bill moved from the floor of the Legislature to the closed room of a joint House-Senate conference committee.

The six-member group scheduled a session during the day but no decision on a compromise was expected until tomorrow or Saturday.

Republicans, who control both the House and Senate, will be in a position to dictate terms in the conference committee.

Committee Membership

Its membership includes Sens. Edward J. Kessler (R-Lancaster), Henry J. Probert (R-Montgomery), John H. Dent (D-Westmoreland), and Reps. Albert W. Johnson (R-McKean), Norman Wood (R-Lancaster) and Albert S. Readinger (D-Berks).

The legislature now is driving

for final adjournment Saturday night. A possible delay in bill-printing may push the session into next week.

Senate Democrats proposed postponement of a 43-million dollar tax break for manufacturers as a means of financing a partial restoration of the 86 millions Republicans have cut from the governor's record budget.

Doubts GOP Support

But Probert said he doubted the GOP would go along with the new plan to postpone for two more years the exemption of Pennsylvania manufacturers from the 5-mill capital stock tax.

The exemption, ordered by the 1955 Legislature with Leader's support at the time, takes effect next Jan. 1.

In other legislative action, the Senate increased the appropriation for state aid to airports from 1 million dollars to 1½ millions. The governor had asked for 3 millions.

Democrats sought the full 3 millions on the basis that, with 3 millions additional from local funds, the federal government would allocate 12 millions to Pennsylvania for this purpose.

Parrot Fever Is Fatal To Teacher

BLOOMSBURG, Pa. (AP)—Medical authorities here say an autopsy on a 62-year-old retired school teacher who died yesterday "indicates she was the victim of parrot fever."

Mrs. Helen Kremer and her husband Ralph, who is reported in "very weak condition" at Bloomsburg Hospital, were stricken 11 days ago.

Dr. C. L. Johnston, state medical officer for Columbia County, said they bought a parakeet from a department store here several weeks ago.

Hospital authorities said the couple had the normal symptoms of the disease but an analysis of blood serum would have to be completed before a positive diagnosis could be made.

Circus Fans Have Strange Hobbies; Seek Elephant Hair

HOLLYWOOD (AP) — Adult elephants, in case you didn't know, have hair. And there's a man who collects them—one hair from just about every elephant in the country.

This information came Tuesday from Gil Conliff of Hartford, Conn., head man of one of the most unusual organizations ever to convene in this off-beat town. Conliff is president of the National Circus Fans of America, an outfit whose 2,500 members enthusiastically study and promote the big top.

Other Hobbies
Members' hobby collections, in addition to elephant hairs, include lithographs and paintings of circus scenes and personalities, route cards of the old-time shows and yellowed account books showing the price of animal feed in years past.

Other members, like actor Joseph Cotten, paint circus life. Conliff, a 60-year-old insurance company employee and grandfather of two young boys, likes to dress up and run through some of the familiar antics of the clowns.

Can Give Biographies
No one actually connected with a circus is allowed to belong, but such professionals in other lines as Jimmy Durante, Joe Cook, a famous juggler, author-actress Cornelia Otis Skinner, actor Sir Cedric Hardwicke, and Dr. Dwight H. Murray, immediate past president of the American Medical Assn., are active members.

About the elephant hairs: Conliff said they are found around the lower jaw and on the tail of mature elephants. They are very coarse and coil up like a watch spring when dry.

The man who collects them—and who can give you a biography on practically every elephant in the United States—is Charles E. Davis, a retired insurance man of Hartford, Conn.

Switzerland, Liberia, Ireland, Costa Rica and Ecuador have acquired merchant ship fleets since World War II.

YORK SPRINGS — The WCTU will meet on Friday evening at the home of Mrs. Ocker in York Springs at 8 o'clock. Mrs. Ocker will be in charge of the program.

Mrs. Ada Boreland, Baltimore, is visiting with her sister, Mrs. Besie Warner, York Springs. Mrs. Victor Stoner is very much improved and was discharged from the Warner Hospital where she had been a patient.

Dinner guests of Mr. and Mrs. James E. Behney and children included Lewis Criswell and son, Harold, of Carlisle, Mr. and Mrs. Jere D. Proctor and children, Jere Jr., Gary Lee and Mary, of Mt. Joy, Mr. and Mrs. Stanley Myers and daughter, of Palmyra.

The family of George Myers held a chicken barbecue on the lawn of his home in York Springs Sunday to celebrate his 78th birthday. Mr. Myers had been a blacksmith in York Springs for 50 years until his retirement about five years ago.

Those present were Mr. and Mrs. Frank Sager, Mr. and Mrs. Paul Shirley, of York Springs, Miss Mabel Myers, Harrisburg; Mr. and Mrs. Arthur Myers and children, Brenda and Gregory of Carlisle; Miss Viola Myers at home; Mr. and Mrs. David Croft and Miss Anna Williams, Hanover, and Mr. and Mrs. George Myers. Two sons, James, of New York, and Paul, from Hanover, were unable to be present. The family presented Mr. Myers with \$50 in cash.

The Methodist Men of the York Springs, Hunterstown and New Oxford churches met at the Rock Chapel Church on Tuesday. The families were invited to share in a picnic dinner.

One hundred thirty-five children and workers are enrolled in the York Springs Tally Vacation Bible school. The school will close with a picnic on Friday morning.

A Family Night to honor fathers and sons will be held in the Sunday School room of the York Springs Methodist Church on

PLASTIC SKIRT IS HOUSEWIFE'S "BEST FRIEND"

By DOROTHY ROE
The Associated Press

Messy or splashy household jobs such as polishing silver, washing windows, sudsing out stockings and scrubbing floors play havoc with your clothes unless you protect them.

Local sewing center experts suggest making a washable plastic skirt to be worn over your house-dress. This skirt will save your clothes from getting soiled and

will keep you dry as well. It's easy to stitch and any simple flared skirt pattern may be used. Plain seams will do because plastic doesn't ravel or fray.

Remember to "baste" plastic with transparent tape, as pins will leave holes that may tear. To sew on plastic, use a fine needle and light tension on your sewing machine.

The fastening is no problem, for you can make it a button-all-the-way-down-the-front skirt by merely stitching on strips of ready-made snap-on fasteners. A double-fold strip of plastic will serve as a waistband, and the skirt needs no hem. Just be sure to cut the skirt several inches larger than your dresses for adequate protection even while seated.

This type of plastic cover-up is

easy to slip on right over your party dress, in case you think of any last-minute kitchen duties before your guests arrive.

Splashes of furniture polish, wax or grease are easily washed away after each wearing. Dip the skirt in plenty of warm soap or detergent suds, squish it up and down in the water, rinse well and hang it up to drip dry.

You'll be amazed at the way this cuts down personal laundry. You'll avoid being soaked to the skin when washing windows or washing the baby's clothes, and you'll find it far easier to clean silver or brass right in your lap, where you can get a good grip on the articles without fear of smearing polish on your clothes.

Truck Crashes Into Train; Driver Hurt

SALEM, Ohio (AP) — A 38-year-old Pennsylvania truck driver was listed in "fair" condition today at Salem City Hospital after his heavy truck tractor was demolished in a collision with a train.

The 18-ton semirig, loaded with rolls of linoleum, crashed into a gondola loaded with 100 tons of clay at an Erie Railroad crossing in nearby Washingtonville Tuesday afternoon.

The truck trailer overturned, spewing rolls of linoleum into the street. The tractor struck the first car behind the train's locomotive, and state highway patrol said it took 45 minutes to extricate the driver, Arden Blouch.

Saturday at 7 p.m. This will be a covered dish supper.

The Official Board of the York Springs Methodist Church will meet this evening at 7:30 o'clock.

Donald E. Golden, son of Mr. and Mrs. Ralph Golden of York Springs, was one of the graduates at the 125th commencement exercises of Gettysburg College on Sunday. He received the Bachelor of Arts degree in music and Departmental honors in music. He is a graduate of the York Springs High School, class of 1953. He is regular organist and choir director of the Evangelical and Reformed Church in East Berlin and the Emory Methodist Church in New Oxford. He is considering entering the Union Theological Seminary in New York in September. He will be studying for a master's degree in Sacred Music.

Housewives Purchase More Foods In Season Because Of Better Supply, Prices

By ELSIE BAMESBERGER

Housewives purchase foods in season because it's the period when supplies are the largest, there is a choice of quality and there is a quality to suit different uses. Prices are also the lowest and the housewife gets more for her money.

Nutritional value of foods reaches its peak when foods are in peak season.

Stored fruits and vegetables while still nutritious do not have the top food values. Foods canned in season mean lower cost and adequate supply later.

Aware Of Seasons

Years ago we were more aware of foods' seasons. Fresh sweet corn season used to last from latter July until frost. Today, food stores sell sweet corn practically the year round. It's shipped from Florida, North Carolina, and other southern states in the winter and spring, extending the supply period.

Peaches from Chile are sold in Pennsylvania stores in February, which is late summer in Chile.

Poultry meat - it's been once a by-product of the egg business. Young cockerels were sold early in the summer before they ate up too much feed. Hens from laying flocks provided another source of poultry meat at that time.

Then came the broiler industry which was better able to satisfy our year-round taste for chicken. Now the broiler industry operates continuously, and the supply of birds is tailored to the summer time peak of demand. That's when we, the food buying public, want more chicken.

Improvements in refrigeration and transportation make foods available to us for longer periods. No storage techniques have had the same effect. Supply periods are now longer. Wise food shoppers will watch for local "in-season" fruits and vegetables.

Other Livestock Products

More pigs and lambs are born in the spring, which results in heavier supplies in the fall and winter. Alert food shoppers learn that their meat dollar buys more lamb and pork in the fall.

Eggs are most plentiful in the spring when hens "naturally" lay. Small eggs are most plentiful in the fall when young pullets first begin to lay. Usually in the fall, a dollar spent for eggs will give you more egg for the money, if you buy the smaller sizes.

All these changes, plus market knowledge, and technical skill have fruits and vegetables for a longer season from several distant commercial areas.

Pennsylvania Fruit & Apples - summer variety. Transparent and its improved cousin the Lodi are mid-July apple. The fall season is usually underway in mid-September with Grimes Golden, Red Delicious, McIntosh and Jonathan. In October, along come the Stayman followed by York and Rome.

Peaches - The Early Red Free, a white variety, comes along in mid-July. Golden Jubilee and Redhaven come in early August. The next important varieties, Halehaven, Sunhigh, come usually just after mid-August. But the peak crop the Elbertas and the Hale come just about Labor Day. South-eastern Pennsylvania is usually about 10 days ahead of Erie.

Strawberries - The season is

India's first medical railway car, now in operation, embodies the latest in mechanical, surgical and medical equipment, and incorporates the most modern devices to withstand vibration and shock while in motion. The car has a ward area which can accommodate eighteen stretcher patients, and also a special staff compartment. Included, too, is a kitchen with hot and cold running water, a refrigerator and sterilizing equipment. An important feature is an end entrance, facilitating use in a tunnel or cutting.

short and sweet. The first two weeks of June usually covers it in most areas of this state. The cooler regions may have them later in the month.

Cherries - Sweet and sour come early July, but with sweet a few days before the sour. The Southern counties precede Erie County by ten days.

Vegetable Season

Asparagus - May through June, the higher the temperature, the larger the crop.

Snap Beans - Mid-June until frost. Many growers plan a harvest to run most of the season, by planting a series of fields at different times.

Sweet Corn - The earliest fields in the eastern part of the state are ready for picking about mid-July. Sweet corn is available locally into October but the heaviest supply period usually comes early in August.

Tomatoes - Packyard gardeners anxiously watch them ripening, and usually by mid-July in the south-east, their efforts are rewarded. Other parts of the state are only a few days later.

Cabbage - Cabbage from local sources is with us from June to October, except that very little state-wide is harvested in August. This vegetable is a cool weather crop.

Potatoes - Early Cobblers come from the Southeast late in July, but the bulk of the crop, the Katahdins and Russets, are dug in September. These are sold from storage through the winter.

background. Her father was Raoul Fabares, engineer on the Southern Pacific's Los Angeles-to-New Orleans line.

Light-fingered scrap dealers in France made off with heavy loot—five railway locomotives. Police said the arrested offenders stripped down the engines, parked on a siding near Melun, intending to sell the parts as junk. Loss to the French National Railways was estimated at more than a million francs.

A locomotive whistle was sent by Canadian National Railways to remote Meeks Fields, Iceland, as a cure for nostalgia reported to prevail among men of the U.S. Air Force's 57th Fighter Squadron stationed there. Along with the whistle went an engineer's cap and a suggestion that the isolated airmen might need a convenient device to make the whistle blow.

Among "firsts" claimed by British railways is the first use of railway signals. The engineer on the Liverpool-Manchester line, opened in 1830, drew attention at night to approaching trains by throwing a shovelful of red-hot cinders into the air.

A golf course with a railroad on it! At Stamford, Conn., members of the Rockrimmon Country Club dreaded the climb up a steep hill between the ninth green and the tenth tee. The solution: an electric motor-driven cable car, dubbed a "golf-elevator," which runs on 330 feet of track. Like a self-service elevator, the "railroad" is operated by push button.

Another golden spike recently marked the finishing of a railway line. The spike was driven near Tokyo to celebrate the completion of electrification between Japan's capital city and Osaka, a project begun in 1925. The increase of trunk lines from four to six tracks and the addition of new trains brings the daily total of trains in and out of Tokyo to some 1,800.

Movie and television star Don DeFore has a soft spot in his heart for trains. His father was an engineer on the Chicago & North Western. A small-scale model of his father's train occupies a prominent spot in the actor's home. There also is a collection of early American train color prints and a locomotive bell, the latter especially appreciated by Mrs. DeFore. She uses it to summon the children.

Patrolman Becomes Amateur Matador

LEBANON, Ky. (AP) - Patrolman James Violette became an amateur matador in the Lebanon business section.

When an escaped bull lunged towards him, Violette sidestepped neatly and the animal shot through the locked, plate glass door of an appliance store.

Afraid the animal would burst through the show windows near the main entrance, Violette ran around to the front of the store. There he beat on windows, jumped up and down, and made faces at the bull.

The poor animal had enough. He turned tail, fled into the rear door and was herded into a waiting truck.

Bible Words for Today

MARK 12:28-29—"He . . . asked him, 'Which commandment is the first of all?' Jesus answered, 'The first is, 'Hear, O Israel: The Lord your God, the Lord is one; and you shall love the Lord your God with all your heart, and with all your soul, and with all your strength.' (RSV)

A sense of balance is the thing which keeps the tightrope walker steady and safe upon his wire. A sense of balance is also the thing that keeps the Christian steady and safe in the whole gospel and prevents him from becoming a fanatic or a heretic. Recognizing man's tendency to drift off into extremes, Jesus selected as the first commandment this passage from Deuteronomy which emphasizes the necessity for loving God with our entire being. He even added "the mind" or reason to the list.

Too many Christians have overlooked this emphasis upon a worship growing out of the whole being and have concentrated on one aspect alone. A love of God with heart only, that forgets the mind, becomes shallow sentimentality. A love that concentrates on strength may be lost in mere activism. A love that overstates reason becomes a cold intellectualism. Only the whole man is enough for loving the one God.

Translate Bible In Marovo Tongue

WASHINGTON (AP) - Three European and three native Seventh-day Adventist pastors have translated the Bible into the Marovo language for the once fierce headhunters of the Western Solomon Islands.

The initial printing of the new translation will run to 3,000 copies with the cost estimated at \$1.20 per Bible. The translation has 1,350 pages.

The Marovo people are mostly Christian. There are 17 Adventist Churches on their islands. Some linguists believe that the Bible translation will influence the language of the Solomons, helping Marovo become the standard language for the 100,000 people of the area.

GE SPOKESMAN RAPS MEANY'S FUND CHARGES

WASHINGTON (AP)—Three companies have brushed aside allegations by AFL-CIO President George Meany that the firms' welfare plans provide examples of "corruption and malfeasance."

One of the three—General Electric—looked a return whack at Meany, saying he "has made himself ridiculous in his unwarranted charges as a result, presumably, of his being misled" by James B. Carey, president of the International Union of Electrical Workers, which has contracts with GE.

"We hope," GE said in a statement, "this is not just a carefully timed attempt to discredit reputable companies in order to divert the spotlight from the current unfavorable disclosures on activities of some union officials before other Senate committees."

Made Charges Tuesday
Meany made his charges yesterday in testimony before a Senate Labor subcommittee. He asked that proposed legislation requiring disclosure on welfare funds be applied to management-operated funds as well as those administered by unions.

The labor leader then listed four cases which he said demonstrated "corruption and malfeasance" in management-handled welfare funds.

In addition to General Electric, Meany listed Eastern Massachusetts Street Railway Co., which serves many Boston area communities; the Reed Glass Co. Inc., Rochester, N. Y., now in bankruptcy, and an unnamed West Coast firm.

PIPER DESIGN UNDER ATTACK

WILLIAMSPORT, Pa. (AP)—Lawyers for the widows of three men killed in a 1950 airplane crash are seeking to prove that Piper Aircraft Corp. "was negligent in the design of the plane."

A jury of eight men and four women was selected Tuesday for the civil suit in U. S. District Court. The plaintiffs, including Smith-Way Inc. of Birmingham, Ala., are asking \$240,000 in damages. The plane was owned by Smith-Way.

The crash occurred near Decatur, Ga., in August, 1950.

Will Prove Negligence
Atty. William D. Denson said he intended "to prove that the Piper firm was negligent in the design of the plane." But William J. Junkerman, defense lawyer, said his witnesses would show that "the Piper company was not negligent in any way."

Denson said the crash had left seven children fatherless. The case is being heard before Judge Frederick V. Follmer.

THREE HELD IN KIDNAP PLOT

COLUMBIA, S.C. (AP)—The grandson of a prominent South Carolina educator is one of three men in custody for allegedly plotting to kidnap the 4-year-old son of a Clinton, S.C., banker and hold him for \$350,000 ransom.

Arrested were Thomas D. Jacobs, 59; Jobie Shelton, 28, and William T. Hill, 60. Jacobs, now employed as a printer, is the grandson of Thomas P. Jacobs, founder of Presbyterian College in Clinton. Both Shelton and Hill are Negroes.

Chief J. P. Strom of the State Law Enforcement Division said the arrests were made Monday.

Strom said police learned of the kidnap plot four months ago and since that time the scheme has been under "surveillance."

He would not divulge how police first got knowledge of the plot. Authorities said the men would be charged with conspiracy to kidnap.

The intended victim, Chief Strom said, was Robert M. Vance Jr., son of the president of a Clinton banking firm.

Police arrested Shelton Monday at the place he was apparently supposed to abduct the child while the child was out for a walk with his nurse.

Atlas Streaks Straight Up Two Miles And Bursts In Florida Test

MISSILE TEST CENTER, Cape Canaveral, Fla. (AP)—A monster missile streaked two miles straight up Tuesday, then exploded. Thousands of spectators were confident they had seen the Atlas take its first step toward intercontinental — and perhaps interplanetary — flight.

The Air Force and the Defense Department wouldn't say it was anything but "a missile," or say directly how it measured up to expectations.

However, the cigar-shaped sky-rocket was identified as the Atlas by informants whose past statements have proved 100 per cent accurate.

Not Like Any Others

The Atlas was brought here a few days ago by special truck convoy from San Diego, Calif., site of its manufacture. On hand for the firing were representatives of Convair Corp. and General Electric, which built the intercontinental ballistic missile. Observers

who have seen previous versions of rocket blast said this was not like any they'd seen.

The missile rose and burst in a fireball at 2:38 p.m. Ninety minutes later an Air Force spokesman said: "A missile was fired at the Air Force missile test center's Cape Canaveral launching site today. Shortly after the launching the missile exploded. There were no casualties."

Previous firings had been announced only days afterward.

Moscow In 20 Minutes

The spokesman added that "valuable information was gained as a result of the test. Extensive flight testing of rocket missiles... has been going on for some time. These tests will be continued."

As an intercontinental ballistic missile, the Atlas at peak development would have a range of 5,000 miles and a speed that would take it to Moscow in 20 minutes.

Tuesday's missile attained an estimated height of only 10,000 feet—about two miles—before it

SOIL BANK IS GIVEN NEW LIFE IN SENATE VOTE

By EDWIN R. HAARINKSON

WASHINGTON (AP)—A marathon Senate session and some sharp vote switching gave the administration's soil bank program a new lease on life today and provided hundreds of millions of dollars for payments to farmers.

The Senate unanimously passed Tuesday night a \$3,668,972,157 farm money bill and sent it back to the House. But the 78-0 passage vote came only after several close tests of strength on specific issues during a 13-hour session.

Majority Leader Lyndon B. Johnson (D-Tex.) called the Senate back into extra-hour duty Wednesday with two more annual appropriations bills to work on.

On Appropriation Bills
One would provide \$5,378,224,800 for 20 miscellaneous govern-

disintegrated in an orange flash and a plume of black smoke.

Senate Favors Bill For Public Records

HARRISBURG (AP)—Proposals to require that agencies of local government maintain public records and conduct public meetings gained in the Legislature today.

The public meeting bill, already passed unanimously by the House in rewritten form. It was returned to the Senate on a 204-0 vote without debate for agreement on the revisions.

The public records bill, approved 175-11 by the House last week, was given preliminary Senate approval and moved into position for possible final action by the end of the week.

Both measures are supported by the Pennsylvania Newspaper Publishers Assn., the Pennsylvania Society of Newspaper Editors, Pennsylvania Women's Press Assn. and Sigma Delta Chi, journalistic fraternity.

PARATROOPER IS SUFFOCATED

FT. BRAGG, N.C. (AP)—Medical authorities say an Iowa paratrooper suffocated during the more than three hours he dangled from a troop carrier plane over this military post Tuesday.

Pfc. Wayne H. Flugum, 23, Leeland, Iowa, was dead when he was cut loose from the huge C123 transport as it skimmed only inches above a runway greased with foam to cut down possible injury.

During the preceding three hours, three crew members had worked valiantly to free Flugum, whose parachute became entangled in the static line left by previous jumpers during a routine airborne exercise.

The medical report said he had been dead from 30 minutes to two hours before his body was landed. But the report did not say whether

ment agencies for the fiscal year starting July 1. The other carries \$2,885,290,781 for the Labor and Health, Education and Welfare departments for the same period. Neither was expected to arouse much floor controversy.

Over-all, the Senate farm bill action was a broad victory for the Eisenhower administration's farm policies, although key issues still are subject to a Senate-House compromise.

Russell Loses Twice

Sen. Russell (D-Ga.), who as floor manager for the bill lost two battles last night, will lead a group of Senate conferees who will ask the House to accept Senate extensions of the soil bank.

The House, when it passed the farm money bill, had voted 192-187 to end the liberal acreage reserve phase of the soil bank—applying to wheat, corn, cotton and other restricted "crop land—after payments of 600 million dollars on this year's crops.

The Senate reversed this and continued these payments through 1958 crops with 500 millions authorized but not yet provided.

Rage In Japan

Michiko Hamamura, teen-age Japanese girl, has become the rage of her country. She has parlayed an off-key version of "Banana Boat Song" and a feline come-hither look into fame and fortune. She is shown in her Tokyo dressing room autographing tennis balls which she throws to the audience during her act. (AP Wirephoto)

the trooper suffocated from being entangled in his shroud lines, or from the force of slipstream air under the plane.

Flugum was about the 18th of some 36 paratroopers who jumped from the plane.

The crewmen almost pulled the pleading Flugum to safety once, but the slipstream pulled him from their grasp.

BISHOP'S RITES SET FOR MONDAY

ALTOONA, Pa. (AP)—Pontifical Requiem Mass will be sung Monday for the Most Rev. Richard Thomas Guilfoyle, bishop of the Altoona Roman Catholic Diocese.

Bishop Guilfoyle, 64, died Monday following a heart attack.

The Most Rev. John F. O'Hara, archbishop of Philadelphia, will celebrate the Mass immediately after the Office of the Dead is chanted.

The Most Rev. John E. Darden, bishop of Pittsburgh, will preach the sermon.

Archbishop O'Hara will be assisted in rites of absolution by the Most Rev. John M. Gannon, bishop of Erie; the Most Rev. George L. Leech, bishop of Harrisburg; the Most Rev. Hugh L. Lamb, bishop of Greensburg, and the Most Rev. Jerome D. Hannan, bishop of Scranton.

Burial will be in a crypt under the Cathedral of the Blessed Sacrament.

The Altoona Diocese has 150,000 parishioners in Somerset, Cambria, Blair, Fulton, Huntingdon, Centre and Clinton Counties.

to Bucknell from Quincy, Mich. High School where his baseball and football teams compiled outstanding records over the past five years.

Sheriff's Sale

In pursuance of a Writ of Fieri Facias issued out of the Court of Common Pleas of Adams County, and to me directed, will be exposed to public Sale on Saturday, the 29th day of June, at 10 o'clock P.M., in the forenoon at the Court House in the Borough of Gettysburg, Adams County, Pa., the following real estate, viz: All that certain lot or piece of ground with the buildings and improvements thereon erected situate in Conewago Township, Adams County, Pennsylvania.

Beginning at a point on the Northernly side of Diller Road, said point being three hundred twenty feet Eastward from a concrete monument at the Northeastly corner of the intersection of Diller Road and Lincoln Drive; thence along Lot 3, 5, 9 North and one hundred fifty-eight feet East for a distance of one hundred fifty-eight feet to a point; thence along Myers Memorial Playground, South eighty-eight degrees two minutes East for a distance of sixty feet to a point; thence along Lot No. 7 South one degree fifty-eight minutes West for a distance of one hundred fifty-three feet to a point on the Northernly side of Diller Road; thence along the Northernly side of Diller Road North eighty-eight degrees two minutes West for a distance of sixty feet to the place of beginning.

Being Lot No. 8 as shown on the Subdivision Plan of Conewago Acres made for Mrs. Mary C. Diller by D. W. Reih, Registered Surveyor, dated March 3, 1954, House No. 315 Diller Road. Being the same premises which Carl T. Beniller and S. Kathryn, his wife, by Indenture bearing date the 8th day of December, A. D. 1955, and duly intended to be levied in the Office for the Recording of Deeds in and for the County of Adams, granted and conveyed unto the said Mortgagees, their heirs and assigns, in fee.

Under and Subject, nevertheless, to certain restrictions as now of record. Improved with Ranch Type Brick House. Seized and taken into execution as the property of Victor P. Becker and Rita P. Becker, his wife, and to be sold by me DORSEY J. SCHULTZ, Sheriff Sheriff's Office Gettysburg, Pa. June 4, 1957. Ten per cent of the purchase price is payable in cash immediately after the sale and the balance of the purchase price, plus making, docketing and recording of deed, is payable in cash five days prior to the return day of the writ of execution; it conditions are not complied with the property will be sold and the defaulting purchaser will be liable for the deficiency, if any.

James MARLOW Reports

The Associated Press

WASHINGTON (AP)—Secretary of State Dulles, never accused of talking too little, doesn't want to talk at all about William S. Girard, the American soldier charged with killing a Japanese woman in Japan.

But probably a more unusual side to the story is the fact that Dulles, in charge of America's foreign relations, says he wasn't consulted about a decision that very seriously concerned foreign affairs.

That was the decision on whether to turn Girard over to the Japanese for trial or keep him in custody. The decision to let the Japanese have him was made by the Defense Department. Dulles later approved.

Fired Empty Cartridge

Girard had shot the woman in the back with an empty cartridge case—he says he didn't mean to hit her and only intended to scare her away—while she was picking

up empty shells on a firing range to sell for scrap.

This happened Jan. 30. Under a four-year-old agreement with Japan on whether Japan or the United States could claim jurisdiction over a soldier in a case like that, this country claimed jurisdiction.

The Japanese insisted they should have him for trial on a charge equivalent to manslaughter. On May 16, after weeks of arguing and on instructions from the Defense Department here, the Army in Japan decided to let Japan have Girard.

Blocked Release

On May 17 Secretary of Defense Wilson blocked the release of Girard to Japan until he checked the case. On June 4 the Defense and State departments issued a joint statement backing up the original decision to let Japan have Girard.

Girard's family sent into federal court and asked the judge not only to order the soldier brought back to this country but to bring Dulles and Wilson into court so they could be questioned about the case.

There was an obvious reason for that.

The joint statement had said Dulles and Wilson "carefully reviewed all the available facts in the case" and added: "They have now concluded" the decision to

State Publishes 500,000 Colorful Travel Booklets

Distribution of the new, all-Pennsylvania travel promotion booklet was begun today by the state Department of Commerce. According to Secretary William R. Davlin, the first mailing of the 28-page booklets has been timed so as to precede the state's "tourist season."

Approximately 65,000 persons

turn over Girard was all right.

Dulles begged off. He swore in an affidavit filed with the court that it would be useless for him to testify because he had no "personal knowledge whatsoever" of events leading up to Girard's detainment for killing the woman.

But Dulles in his affidavit went further: He said he had neither made the original decision nor been consulted about it. That was strange, since relations with Japan were the dominating factor in letting Japan have Girard.

The Eisenhower administration almost bluntly admitted in court that the reason for turning Girard over to the Japanese was to pacify them and maintain good relations with them.

The judge decided Dulles and Wilson didn't have to be called.

have requested copies in response to the department's "See Pennsylvania" advertising program and will receive the colorful piece on Pennsylvania this week.

Dissemination of the four-color brochure on Pennsylvania's scenic, historical and resort attractions for tourists and vacationists marks the end of several months' work in design, photograph selection, writing, composition and printing.

Starting with the department's Travel Industry Advisory Council taking over the task of supervising the preparation of a new vacation promotion piece, a brochure committee was appointed by the council consisting of: Gilbert Love, The Pittsburgh Press; J. Benton Jones, vice president, Pennsylvania Railroad; David Miller, vice president, Allegheny Airlines; S. S. Lea, promotion director, Atlantic Refining Company; David Aron, advertising manager, Gimbel's department store; Paul McNamara, general manager, The Warwick, Philadelphia, and vice president, Pennsylvania Hotels Association.

The brochure committee formulated the basic theme and outlined the pictorial content of the booklet. Several thousand color photographs of Pennsylvania's travel attractions were viewed for

possible use in the full-color booklet. The narrative text was edited by Gilbert Love.

Printing of the brochure was done by the Lebanon Valley Offset Press in Cleona, Pa., following the competitive bidding through the Department of Property and Supplies. Total printing order exceeds a half million copies which will be utilized during the next two years received by the Department of Commerce annually. In addition copies are supplied to travel agents, AAA clubs, touring services, convention bureaus, etc. upon request.

Says Educated

Ministers Needed

INDIANAPOLIS (AP)—Dr. Harlie L. Smith, president of the Board of Higher Education of the Disciples of Christ (Christian Church), says it's "imperative" that ministers have an adequate educational background.

Speaking to the recent Middle West Conference of the Disciples of Christ, Dr. Smith listed seven years of college preparation, four years of undergraduate training and three years of graduate seminary study, as the minimum requirement.

He also said that too many young people who choose the ministry drop out of training. Of 400, he said, 200 get to college, 100 graduate still in a church vocation, 60 go on to seminary and 54 graduate into the ministry.

COFFEE CAKE EASY TO MAKE

By CECILY BROWNSTONE
Associated Press Food Editor

Summer time cooks who want to spend more time outdoors than in the kitchen may be interested in a jigtime coffee cake to serve with hot or iced beverages. When we tried this recipe recently, we thought it was real good.

One of the virtues of this ersatz coffee cake is that it uses the brown-and-serve rolls any household has on hand. Its filling is made from a pantryshelf package of condensed mince meat, a convenient product in both winter and summer. The topping is put together with confectioners' sugar, orange rind and orange juice.

Jigtime Coffee Cake

Ingredients: 1 package (9 ounces) condensed mince meat, ½ cup water, ½ cup orange juice, 3 tablespoons sugar, 12 small round (one 8-ounce package) brown-and-serve rolls, ½ cup sifted confectioners' sugar, ½ teaspoon grated orange rind, 1 tablespoon (about) orange juice.

Method: Break mince meat into small pieces in saucepan; add water, ½ cup orange juice and 3 tablespoons sugar. Break up lumps with a spoon or fork as you bring mixture to a boil. Boil briskly for 2

minutes or until mince meat is almost dry. Cool. Arrange brown-and-serve rolls close together in a ring around the inside edge of a round layer-cake pan (9 inches in diameter); place remaining rolls in center of pan. Slash rolls almost to the bottom crust. Spoon mince meat into slashes. (Leftover mince meat should be refrigerated in a covered jar for later use.) Brown rolls in oven according to package directions. Mix confectioners' sugar, orange rind and 1 tablespoon orange juice (or more) together; drizzle over rolls. Serve hot with butter.

A TREND?

FREEBURG, Ill. (AP)—Mayor Harry Savre, recently re-elected, wonders which friend he lost since the last election.

This year Savre received 352 votes against 317 for his opponent. Four years ago he won 353 to 316.

GARLIC TIP

It isn't necessary to peel garlic. If you use a garlic press. The residue will lift out of the press easily and a dip in hot soap or detergent suds washes the press easily.

Republicans Pass General Appropriations Measure By 7 Votes At 2:15 Wednesday

HARRISBURG (AP)—A work-weary Senate Wednesday passed the \$1,120,000,000 general appropriations bill amid indications that the Leader administration was losing out in the battle of the budget.

The last stand for the Democrats against 88 million dollars in GOP budget cuts will be in a joint House-Senate Conference Committee that is to be set up to iron out the kinks in the money-spending bill.

Senate Democrats fought until 2:15 a.m. in a day and night effort to restore funds cut by Republicans. The final vote was 27-20 and followed party lines.

Had Line On Taxes
"It was a victory for the Republican policy of holding the line on taxes," said Sen. Rowland B. Mahany, Republican floor leader.

But Sen. John H. Dent, Democratic floor leader, told a newsman the fight wasn't over. "We're going into that Conference Committee with an idea of

getting back some of those cuts," he said.

Republicans, who control both the House and Senate, are likely to dictate terms in the Conference Committee. The governor, a Democrat, has the right to reduce or remove items in the general appropriations bill but cannot increase them.

Pass 27 Other Bills
After voting on the general appropriations bill, the Senate went on until 3:15 a.m. passing 27 other bills accounting for more than 173 million dollars in appropriations.

The biggest of these was 129 million for public assistance.

Hopes immediately rose that perhaps the 1957 Legislature would adjourn this Saturday night as scheduled. The target date could be met if appropriation matters are settled in the next 48 hours as planned.

A Republican pledge to allocate two million dollars for 400 more beds for mental patients in Philadelphia—possibly at Philadelphia

General Hospital—ended a week of delay in appropriations before the House.

Insist On Pledge
House Democrats insisted on the pledge before yielding the votes needed to pass nearly 93 million dollars in special appropriations. The senate early Wednesday brought them out of committee for initial floor action.

These appropriations—including 46 millions for state-aided universities and 24 millions for state-aided hospitals—required a two-thirds majority. They passed unanimously after the logjam was broken.

Democrats delayed the bills for a week, asserting that Republicans were trying to steamroll their budget cuts through the Legislature.

As part of the over-all movement of appropriations bills, the House approved a \$31,300,000 increase in state aid to schools. The vote was 193-12 and the measure went to the Senate.

TIPTON, Calif. (AP)—Marie Schoenhair tried to smoke out the bees buzzing around her house. After firemen had put out a fire causing \$3,000 damage to the house, they reported the bees were gone.

ASK PROBE OF COLLEGE PREXY RESIGNATION

HARRISBURG (AP)—Two northern tier county house members are seeking an investigation of "questionable circumstances" surrounding the resignation of James C. Morgan as president of Mansfield State Teachers College.

Reps. Harry R. McInroy (R-Tioga) and Kenneth B. Lee (R-Sullivan) introduced a resolution Tuesday asking that the Justice Department conduct the probe. The proposal was referred to the Rules Committee.

The two assemblymen asked Gov. Leader to withhold approval of Dr. Lewis W. Rathgeber of Lock Haven as Morgan's successor until the investigation is completed.

Accept Resignation
Trustees of the institution voted 5-4 at a special meeting at Blossburg Saturday night to accept Morgan's resignation dated June 5. Then it voted by the same margin to elect Rathgeber, now an official of the Public Instruction Department in Harrisburg. His term as president will begin July 15.

The resolution states: "These circumstances have created dissension within the board of trustees as well as promoting public resentment to the extent that confidence in the administration of the Department of Public Instruc-

SENATE OKAYS ZONING CHANGE

HARRISBURG (AP)—A bill detailing procedures for amendments to zoning ordinances in third class cities was approved unanimously in the Senate Tuesday and returned to the House.

Under the bipartisan sponsored proposal the Third Class City Code would be amended to give city councils the right to amend, supplement or change zoning ordinances.

The council would submit to the city planning commission or a similar agency any bill suggesting changes in zoning regulations. If the commission failed to report with recommendations within 15 days, the council would presume the commission approved the change.

Council also would be required to act within 30 days of the planning commission report and if it failed to do so it would be "conclusively presumed" that the amendment was rejected.

The bill was sent back to the House for agreement on a Senate change that eliminated a clause requiring the affirmative vote of four councilmen to pass the proposed ordinance amendment.

Another bill passed by the Senate yesterday would provide that after Jan. 1 one-fourth of the proceeds from the sale of timber or forest products from state forest

Fluoridation Bill Back To Committee

HARRISBURG (AP)—The House Tuesday sent back to the Health Committee and apparent death a proposal requiring a voters' referendum before any community could fluoridate public water supplies.

The measure, sponsored by Rep. Harry W. Price Jr. (R-Mifflin), would change the present law which allows community officials to fluoridate water supplies without prior approval by the voters.

land should be paid to the county, townships and school districts where the land is located (30-33, to governor).

SUMMERS TAKES STAND IN PIKE FRAUD TRIAL

By BOB HOLTON

HARRISBURG (AP)—The controller of the Pennsylvania Turnpike Commission was recalled to the stand Wednesday in the trial of nine men charged with conspiring to fleece the commission of 19½ million dollars.

Controller Franklin B. Summers, of Harrisburg, told the court Tuesday that special handling was given a commission contract which the commonwealth contends was the basis of a conspiracy.

Summers said a contract with the Manu-Mine Research and Development Co., Reading, was first listed as an engineering pact and then later listed in commission payments under the terms of a construction contract.

Defense Contention

The defense contends that the contract was of an engineering nature and as such was not subject to competitive bidding regulations

or to Highways Department approval.

The controller testified that payments were made on the contract between February 28, 1955, when it was approved and June 2 under the listing of an engineering contract.

After that time, he said, the contract was given a "number" which he explained permits partial payment of requisitions without immediate commission approval.

He said that under commission routine, only construction contracts are given numbers.

Summers also told the court that although the contract was originally listed as an engineering agreement with the Manu-Mine firm, the commission's chief engineer played no part in handling the pact.

The commonwealth contends that Manu-Mine asked for more than 8 million dollars for filling mine void beneath a six-mile length of the northeastern extension of the turnpike.

The prosecution contends the company made a 100 per cent profit for its work.

SOLONS CREATE COMMISSION TO STUDY AGING

HARRISBURG (AP)—Legislation creating a Commission on the Aging went to the Senate Wednesday after unanimous House approval.

The plan, approved 204-0, would charge the commission with making a study of the problems of the aged with an eye to formulating state policy and legislation.

Other bills passed by the House Tuesday would:

Extend School Benefits

Extend school retirement benefits to persons re-employed after serving with the Red Cross and other organizations (202-1, to Senate).

Authorize issuance of miniature certified copies of birth certificates (203-0, to Senate).

Require refund of public assistance aid paid to persons receiving assistance from relatives at the same time (204-0, to Senate).

Exempt volunteer firemen from restrictions of the State's Fund Solicitation Act (204-0, to Senate).

Require housing authorities to set aside at least 10 per cent of each housing project for rent or lease to persons over 65 (202-2, to Senate).

Require insurance companies to maintain a surplus over all liabilities (204-0, to Senate for agreement in amendments).

Boost the age at which school boards may terminate services of professional employees to 62 (204-1, to governor).

Require the state budget secretary to submit budget material to the House and Senate Appropriations Committees and the Joint State Government Commission (186-0, to governor).

Senate Passes Eleven Appropriation Bills

HARRISBURG (AP)—Appropriation bills passed by the Senate early Wednesday after previous approval by the House included:

Public assistance grants, \$129,600,000.

Port of Philadelphia development, \$900,000.

Cornplanter Indian Reservation, Warren County, \$600.

Public school building authority expenses, \$650,000.

Capitol park extension in Harrisburg, \$370,000.

Soil survey work, \$75,000.

Geological survey, \$19,000.

State retirement board reserves, \$5,637,124.

Contribution to state retirement fund, \$6,568,661.

Public instruction department deficiencies, \$24,163,263.

Aid to free public libraries, \$180,000.

28th Division Shrine Secures State Help

HARRISBURG (AP)—A Centre County lawmaker said today the 28th Division Shrine at Boalsburg would be completed with a \$25,000 appropriation by the state.

The appropriation measure was approved 189-0 by the House Monday. The bill provides that the funds would go for "completion, care, preservation and maintenance of the 28th Division Shrine" in Harris Twp., Centre County, said Rep. Robert Breen (R-Centre).

The appropriation supplements the 1931 law setting up the shrine and authorizing purchase of land for it.

NEW SPEED FOR SMALL TRUCKS

HARRISBURG (AP)—The new speed limit for small trucks in Pennsylvania is 50 miles an hour. Gov. Leader signed the new law Tuesday changing the old speed limit of 40 miles an hour for trucks bearing R or S license plates.

Other new laws will:

Permit a fast-growing community to call in at its own expense the U.S. Census Bureau to conduct a special census in order to qualify for higher state grants for police pension funds.

Authorize the court to appoint a certified public accountant to audit the books of a second class township.

Allow the sale for the first time of artificially sweetened ice milk for diabetics.

Put into effect immediately—instead of Sept. 1—a new law reducing the minimum horsepower for small delivery trucks from 50 to 30.

Give the State Milk Control Commission the right to impose a \$50-a-day fine in suspending milk licenses instead of requiring the establishment to close down for the period of the suspension.

STORMS LASH BROAD AREAS

By THE ASSOCIATED PRESS

Late spring storms, with tornadoic winds, heavy rain and hail, continued to pound broad areas in the mid-continent Wednesday in the wake of Tuesday's damaging turbulent weather.

Strong winds and heavy hail accompanied squall lines in parts of the central Plains and the middle Mississippi Valley during the night. The most violent weather was reported in eastern Kansas, but damaging storms also hit south and south central parts of the state, central Missouri, and sections of Oklahoma, Illinois, Indiana and Ohio.

Funnel clouds and tornadoes

were reported in the storm belt. Winds were clocked at 80 m.p.h. at Holington, Kan., and hail pelted the area. There were no casualties reported in the violent weather in Kansas, northern Oklahoma and Missouri.

Although the severe weather diminished in the central Plains, storms continued in the middle Mississippi Valley. Tornado and severe thunderstorm warnings were posted for the southern third of Illinois throughout the early morning hours.

ST. LOUIS (AP)—Warner Fuller, 55, vice president and general counsel of the Terminal Railroad Assn., former dean of Washington University's School of Law, and onetime assistant professor in law at Duke University, died on Tuesday. He was born in Clinton, Iowa.

MAXON URGES BETTER SYSTEM

GROVE CITY, Pa. (AP)—A Presbyterian official suggests better ways be found to supply religious education to young people within the family and church as an alternative to a parochial school system.

The recommendation was made Tuesday by Dr. Theron B. Maxon at the 76th annual meeting of the Pennsylvania Synod of the Presbyterian Church in the U. S. A. He is an associate secretary of the Pres-

byterian Board of Christian Education.

The General Assembly did not wish to place "responsibility for religious education in a parochial school system or a public school system with an enforced program of religious education."

Norman N. Mench, Altoona layman elected moderator of the Pennsylvania Synod at Monday's session, Tuesday chose the Rev. Spencer B. Smith of the Camp Hill Presbyterian Church as vice moderator.

About 700 delegates from the state's 18 Presbyteries are attending the meeting which closes tomorrow.
